Simpson's Cattle spice.
CHAPTER IV.
THE manner of using the Spice is by sprink...
ling a tea-spoonful or a table-spoonful (acc...
ording to the size or class of animal) over or in...
to the common food, such as hay, straw, roots, crum...
bed corn, etc. (see directions on packet labels).
The cost is not more than is incurred by using...
pepper and salt in soup, or with other food for...
ourselves. The effect is much the same, viz:—It...
gives an agreeable relish to coarse food, it warms...
and nourishes the stomach, assists digestion...
creates health, gives a strong constitution, rapid...
growth and vigor to the frame, and vastly increas...
es the size, weight, and quality of the animals...
thus giving stamina and condition to hres, rapid...
growth in calves, lambs, and young pigs, and great...
results in weight of carcass, in fattening animals...
and large yield of rich Milk and Butter from...
Cows.

The reader is kindly invited to procure a small...
quantity and fairly test the merits on some of his...
own Horses, Cattle, Sheep or Pigs, when he will...
be delighted to find himself in possession of a...
cheap and ready method for producing almost...
magical results on his animals, and be very pleas...
ed to recommend to his neighbors and friends.
