Contractors are requested to bear in mind
that Tenders will not be considered unless
made strictly in accordance with the printed
forms, and—in the case of firms—except there
are attached the actual signatures, the nature
of the occupation and place of residence of each
member of the same; and further, an accepted
bank cheque or other available security for the
sum of one to five thousand dollars, according
to the extent of work on the section, must ac-
company each Tender, which sum shall be for-
feited if the party tendering declines entering in-
to contract for the works at the rates stated in
the offer submitted.
The amount required in each case will be stat-
ed on the form of tender.
The cheque or money thus sent in will be re-
turned to the respective contractors whose tend-
ers are not accepted.
For the due fulfillment of the contract, satisfac-
tory security will be required, by the deposit of
money the amount of five per cent. on the bulk
sum of the Contract, of which the sum sent in with
the Tender will be considered a part.
Ninety per cent. only of the progress estimates
will be paid until the completion of the work.
To each Tender must be attached the actual
signatures of two responsible and solvent persons
residents of the Dominion, willing to become sure-
ties for the carrying out of these conditions, as
well as the due performance of the works embraced
in the contract.
This Department does not, however, bind itself
to accept the lowest or any Tender.
By Order,
F. BRAUN,
Secretary.
