Transportation Bills Which Were Considered Yesterday and Disposed of.

(From Tuesday's Daily.) In the railway committee of the provincial legislature yesterday the bills to incorporate the Crow's Nest & Northern Railway Company and the Hudson Bay Pacific Railway Co. were passed upon and approved. In the case of the last mentioned bill the only important alteration imposed was the reduction of the capital stock from \$100,000,000 to \$3,000,000, and the bond ing privilege of the first named char ter was reduced from \$35,000 to \$30,000.

The charter members of the Hudson Bay Pacific Company are David B. May, Seattle; W. H. Deval, New York; Lewis B. Bensen, Goldfield; Wm. H. Harding, jr., New York; James Mc-Lachlan, Los Angeles; John Braden, Victoria, B. C. The charter empowers the construction of a road from a point near Port Simpson, or Work channel to the eastern boundary of the province via the Skeena river, and a route which is demarked in the bill as follows: Up the north side of the Skeena river to a point near Hazelton: thence to the junction of the Buckley river thence up the right bank of this river eight miles to the Suskewa river to the head of Babine Lake; thence to the north end of Stuart Lake; north of McLeod Lake to the Misnichinca river; thence up the Misnichinca river by Summit Lake to Pine River Pass thence n f Pine river and down this river to Moberly's Lake, and thence to the
