Mr. Wood lived in retirement, divid-York, where he passed his winters, and his country place at Turner, Orange County, N. Y., where his happiest days were passed amid nature scenes. Mr. Wood's first telegraph experience was acquired under the direct tutelage of Prof. Morse, with whom he had early associated, becoming an operator in Washington in August, 1844, in connection with the original line of telegraph opened that year between Washington

Mr. Wood built the telegraph line be-tween New York and Philadelphia, and Afterward that known as the New York, Albany and Buffalo line, along which route he also opened the prin-cipal offices. Mr. Wood was the first superintendent and general manager of the Montreal Telegraph Company of Canada, filling this position for eighteen years. In fact, it was under his supervision that the line was built.

He was one of the most notable telegraph men in America, the first pupil of Professor Morse and the first to inaugurate an electric telegraph system in Canada on an extensive scale. Born in 1817 near Ithaca, N. Y., after grammar school and collegiate burse, he studied and became a civil

engineer and was for some time em-ployed in that capacity by the New York state government. When Mr. Morse was exhibiting his telegraph in Washington, 1844, Mr. Wood was induced to join the inventor, and became his associate in con-
