

Don't Prod Your Liver to Action

MR Overcomes Blisters, Constipation, SICK HEADACHE, quickly. No Gripping or Pain. Guaranteed.

The organs of digestion, assimilation, absorption and elimination—the stomach, liver and bowels—are closely allied, and the proper action of any of these can affect the proper action of all the others.

"Whipping" your liver into action will not bring you into shape with irritating irritation or strong cathartics is a great mistake. A better system is to strengthen and toning the whole digestive system with Nature's Remedy

Tablets which are easily digested, tasteless, and give you a lasting benefit. It acts on the stomach, liver, bowel and kidneys, improves digestion, removes constipation, biliousness, corrects constipation and gently relieves sick headache.

It costs only 10 cents per day, and a pencil for once; stomach, liver and bowels working together in vigorous action. You do not have to take this medicine every day. Just take one MR Tablet occasionally to keep your bowels in good condition and always feel you look well. Remember it is easier and cheaper to keep well than to get well.

Get this book and try it with the understanding that it must give you greater relief and benefit than any other or River tablet you ever paid for or pay. Nature's Remedy (MR Tablets) is sold, guaranteed and recommended by your druggist.

poses Only May Be Cut

A change in the method of leasing in Manitoba, Saskatchewan and Alberta is provided for in an order in council now gazetted. The permittee shall not graze any other than his own stock, neither shall he assign or transfer any interest in the permit without the consent of the minister being first obtained. He must place on the land at least one head of stock for every thirty acres of land included in the permit.

Renewals From Year to Year

The erection of fences and temporary buildings only is permitted and any renewals shall be from year to year at the discretion of the minister. Wenn er Heu für Täufähnchen von dem Lande zu nehmen gedenkt, so muß er hierfür eine besondere Erlaubnis einholen, für die er 15 Cents Mietgebühren und 50 Cents per Tonne Heu zu entrichten hat.

Estonia And Soviet Near Agreement

Bolsheviki Showing Willingness to Make Further Concessions

DOPAT, Dec. 28.—Some indications that an agreement might be reached in the negotiations for peace between Estonia and Soviet Russia were observable here tonight. The Bolsheviks were said to be showing a willingness to make further concessions in the matter of territorial adjustments which, it is believed, would obviate the necessity of the Estonian army falling back from the Tarva front to which the Estonian government has been offering strong objections for strategic reasons. According to the Estonians, the Bolshevik forces on the Tarva and Pskov fronts combined now total 100,000 men.

From the current developments the assumption here is that the question of General Yudenitch's troops, which fell back to Estonia after the unsuccessful offensive last fall against Petrograd, will be satisfactorily settled and assurances given that there will be no further operations against the Bolsheviks from Estonia.

The possibility of an agreement began to develop yesterday when the conferees decided to submit to a joint committee the working of a joint proposal that would be favorable to both parties after an adjustment of the territorial boundaries, was understood had been decided upon in principle.

Uebereinkommen zwischen den Estländern und den Bolsheviki bevorstehend

Bolsheviki zeigen sich bereit, weitere Zugeständnisse zu machen.

DOPAT, 28. Dec.—Es liegen heute Anzeichen dafür vor, daß ein Uebereinkommen zwischen Estland und Russland zur Erlangung des Friedens bevorstehen. Es heißt, daß die Bolsheviki sich geneigt zeigen, weitere Zugeständnisse bezüglich einer Grenzregulierung zu machen, und daß es dadurch unnötig werden dürfte, daß die Armeen der Estländler von der Tarva zurückfallen, was die estländische Armee bis jetzt aus strategischen Gründen entschieden verweigert hat. Radikalabben der Estländler betragen, die Truppen der Bolsheviki an der Tarva- und Pskow-Front zusammen zu summen 100,000 Mann.

Die neuesten Ereignisse führen zu der Annahme, daß die Frage inbegriffen auf die Truppen von General Yudenitch, die sich im vergangenen Herbst nach einer ergebnislosen Offensive auf estländisches Gebiet zurückgesogen haben, einer zufriedenstellenden Lösung entgegengesetzt, indem Versicherungen gegeben sind, daß von diesen Truppen aus keine weiteren Bewegungen gegen die Bolsheviki unternommen werden sollen.

Die Möglichkeit eines Uebereinkommens zeigte sich gestern, als die Parteien einen von allen gutgeheissenen

Ein weiterer Raubüberfall

WINNIPEG.—Der vierzehnte Raubüberfall, der sich in vergangener Woche hierzulande zugestellt hat, fand am Freitagabend statt, als Georg E. Ulte, der Geschäftsführer einer Automobilgesellschaft, abends um 6:30 Uhr in seinem Automobil angehalten und durch Banditen eines Revolvers überwältigt wurde. Der Überfall fand an Water Street statt, und die Männer führten ihr Opfer bis zum Tod, nadamen sie ihm böse mitmachten hatten. Der Überfallene musste nach dem allgemeinen Krankenhaus geschafft werden. Das Auto wurde später vor dem Polizeibüro wiedergefunden.

\$400 AND COSTS

ANOTHER BOLD HOLD-UP
WINNIPEG.—The fourth hold-up in the past week by a gang operating here, took place on Christmas evening, when George E. Ulte, manager of a motor com-

pany, was stopped in his auto at 6:30 p.m., ordered out of the machine and robbed at the point of a gun. The affair took place on Water street and the thugs beat up their victim so that he had to be taken to the General hospital. The auto was found later in front of the post office.

Winnipeg, — Michael Mikrowetz ist wegen Verstoßes gegen das Indian Revenue act, bei einer Strafe von \$400 und zur Tragung der Kosten des Verfahrens verurteilt worden. Er bekannte sich schuldig eine Destillerie im Betrieb gehabt, und vier Flaschen sogenannten "Moonshine Whiskey" fabriziert zu haben, ohne im Besitz einer Lizenz zu sein.
