told on a lawyer for many years is being told on Mr. Weisbrod, of Oshkosh, partner of Henry Harshaw. Mr. W. done economically or the reverse. goes every year for a duck shooting trip up Rat River, which empties into Wolf about twenty-five miles above The Teronto Globe's Winnipeg special Oshkosh. All along Rat River are of 18th inst. says,—
The Farmers' Union Convention resumhate to see anybody shooting along the river. They go out shooting on Sun-lution with regard to the Canadian Facific day, and they want all the fun there is Railway was adopted: "The convention to be had. When a hunting skiff is expresses its condemnation of the tactics seen ascending the little stream the of the C. P. R. in entering into pooling natives at work in the fields will yell at arrangements with the St. Paul, Minne the invaders, and use language that is apolis & Manitoba Railway, whereby the not pleasant to hear. Nothing would inhabitants of Manitoba and the North-please them better than to have the West are taxed to support foreign monohunters talk back and give them an excuse for a row and perhaps a shooting poly which is nothing more or less than systematic robbery of people, and expressed its conviction that the poly which is nothing to the poly which is nothing more or less than systematic robbery of people, and expressed its conviction to the poly which is nothing more or less than systematic robbery of people, and expressed its conviction to the poly which is nothing more or less than systematic robbery of people, and expressed its conviction to the poly which is nothing more or less than systematic robbery of people, and expressed its conviction to the poly which is nothing more or less than systematic robbery of people, and expressed its conviction to the poly which is nothing to the poly which is not the poly which is not the poly which is not the poly which is nothing to the poly which is not the poly which is not the poly race. One day last fall Weisbrod was being paddled up the stream, and occasionally his gun would ring out a familar sound, a puff of smoke would be seen, and a duck would fall. Presently he came to a fence across the down the fence and passed on when a German farmer came down to the bank on the C. P. R. freight rates was adopt-

navigable for ducks and skiffs. There is a law, sir, that protects an American citizen, and in fencing the waters of the United States and the state of Wismers are placed in a position of being unable to realize even a bare living on Chatham Gas Light Co'y

ed at the big words, but he said he had a right to fence the stream, as he had We call upon the Dominion Government consulted a lawyer, and he should in- to use their prerogative and provide that sist that they go back.

"There are lawyers," said Weisbrod, "who could give an innocent man any serious injury. We wish to add, how NEW STORE. who could give an innocent man any kind of advice for five dollars; and get him into trouble that would cost a poor man his farm and everything he has.

The beginning me told were that your that your that you wish to add not the part of the Railway Company with reference to the large crop of the present season which cannot be equalled in quantities. The lawyer who told you that you could fence Rat River, and cut off this natural highway, and block the wheels of progress, and interfere with life, would reduce extortionate rates settlers liberty, and the pursuit of happiness of Manitoba would work together to build guaranteed by the constitution to all up their adopted country." Much indigpeople is no credit to the profession, nation was expressed by speakers against and probably laughed at you after he the C.P. R. and the government. 'had taken your five dollars."

the German. "I tell him I vant to vence dot stream, and he looked in a big book and he says to me dot is all right, you go head and vence it, and I did. He vas be pest lawyer in Oshkosh, und he know his pishness, you

"Who, was the shyster who told you to fence Rat River?" asked Weisbrod. "Give me his name and I will have him arrested for obtaining the money of a OF CO-PARTNERSHIP "Give me his name and I will have him poor man on false pretenses, and I will get your money back, and send him to the penitentiary. What is his name?" "He is name Weisbrod, und his office is by de posh office."

"What! My name is Weisbrod, and I never in all my life—" "Vell, by shingo, so you vas Mr. Weisbrod. Don't you remember dot time I vas all right to vence de stream. and I gave you a ten dollar bill und Hank Harshaw change it for you so you could give me back my change,

Weisbrod thought a moment and scratched his head. He could see that he was in a tight place. Finally he recovered and said, "I remember, I remember it well, but the advice I gave GLASSWARE!! you was only intended to apply up to the 15th of August each year when the | We have just opened a fine assortment of law is off on ducks. From that time till the ducks go south the constitution provides that fences shall be removed and all persons shall have free access to shooting grounds. I suppose you advice about building the tence. If you had asked me about taking the fence down, it would have cost you five Combination Dinner and dollars more. As it is I will not charge you anything for this supplemental ad dice, but let me impress upon you the mportance of keeping the fence down A Full Assortment of

after the 15th of August." "O, vell, if dot is de case von g sheat, and I will go across lots up de stream, and have the two other fences down by the time you get there," an the German dropped his pitchfork and went ahead and let down the fences, and Weisbrod had splendid shooting, and went home to dinner with his client. As Weisbrod was leaving the house the German turned to his wife and said: "Dot is Mr. Weisbrod, von Oshkosh. He is my lawyer, and he is de smartest lawyer in Vinnebage county."

The Clydesdale Horse.

Of the Clydesdale horse, Stonehenge says: "The Clydesdale is intermediate in size between the Suffolk and the dray horse, but more active than either. He is supposed to be bred from a cross of the Dutch or the Flemish horse, imported into Eugland by the Duke of Hamilton, in the latter part of last century, with the active descendants of the pack horses, which North than in the South. He has an extremely neat head, a little neck, and a round middle piece, which is nevertheless very deep in the girth-place. ▲ well-shaped horse of this breed, ever offered in this place, comprising in the engraving, which represents a DRESSING CASES, horse of this famous breed. The long which is characteristic of the breed, is rartly dependent upon their greater length and partly upon habit are sepecially adapted to that kind of west. They are generally docked and their comparatively short tails will serve to distinguish them in the eyes of the unskilled observer, irrespective of these marks of breeding which an ex- At the Medical Hall pararied hand will readily detect. A great main support many inferior animals were formally bread, which were objectionable have their light bodies and long legs, but these faults are now comparatively man, great attention having been paid to the breeding of Clydesdale last thirty years.

Still, they are supposed to require a good deal of nourishing food, and plough a great breadth of land in a giv-
