Montreal, arrived here last hight and believes that in the arrest of Hanna-berry a very important capture has made. The authorities of this rail-way had been working for some time on the case of the disappearance of a valise belonging to H. Paxton Baird of Woodstock, and the finding on Hannavalise belonging to H. Paxton Baird of Woodstock, and the finding on Hanna-berry of the handkerchief bearing Mr. Baird's name, clears up the case. The C. P. R. had paid Baird sixty-five dol-

WOLFVILLE NEWS ars for his loss. Three valises found in Hannaberry's

Three valises found in Hannaberry's house were brought here this morning. One answered the description of a valise owned by Hon. Colin Campbell, solicitor general for Manitoba, which was lost some time ago from the berry's house were found a number of articles which the valise of Miss Grace E. Dennison, of the Toronto "Saturday Night" staff had contained. This valise was lost from Bonaventure sta-tion, Montreal, in August. A locomotive of the C. P. R. east-bound express ran off the track at

A locomotive of the C. P. R. east-bound express ran off the track at Thompson's yesterday and held up the traffic for a time last night. MONCTON, N. B., Dec. 7.—in hope that the Denalty would be lightened, William Hannabury has made a com-plete confession, revealing even more extensive thefts than had at first been supposed. are, if not a positive danget, to public interests." This statement sums up briefly the ocard, under the presidency of assis-tant secretary of the navy Newberry, appointed last August to suggest such modifications in the law affecting the commissioned personnel of the navy as might seem to them advisable. The bard's recommendations offer a remedy for two serious evils in the line, namely, the absence of opportun-ity for officers of flag rank to familiar-ize themselvs, by actual experiences with their duties as commanders of fleets, divisions or squadrons in the short time to elapse before their retrement for age, and also an imput-ting here of section and solution of the source will be come so congested that a mid-sing period of great stagmation in pro-ing period of great stagmation in pro-ting period to listen into a solution and solution and john Rumsey. They were antipulating a hose on the north side of the building when the wall collapsed on them and planed them down to slowly roast under the burning debris.
