THE MOVIES  
THE PLAYERSWho's Who and What's What in the Picture World  
and on the Stage--Favorites and What They  
Say and Do.ECHOES OF THE MOTION  
PICTURE CONVENTION

That a very notable gathering was held lately in our city there is no doubt. There were assembled in St. John lately seventy-five exhibitors from three provinces of New Brunswick, Nova Scotia and Prince Edward Island. These are the men who purchase the pictures so we name them first. There were invited to attend this meeting also, in order that they might discuss problems which affect them, many film exchange men. Here, too, were the men who say what pictures the public shall see--the censors, those people whom some think so unnecessary and of whom others say "we must have them."

One can hardly think of pictures without actresses and we had with us Miss Rose Tapley and Miss Belle Bruce. Miss Tapley is too well known to describe, she came and conquered, and Miss Bruce is a dainty little actress of much ability. Then another side of the business was represented, the men who write about the pictures, and here to speak to us were W. Stephen Bush of the Exhibitors' Trade Review; Merrick R. Nutting, editor of a Canadian trade journal, which is becoming very popular; Sam Spedon of the Moving Picture World, and G. H. Donaldson of the Billboard (to say nothing of some here at home, for it is not modest to mention ourselves).

In F. H. Richardson of the Motion Picture World there is one who knows the right way to show a picture and perhaps even better still, the way to show another fellow how to rightly show his picture--in other words an authority on projection.

There are, however, even more sides to the fifth greatest industry in the world--the exhibitors as a body--and we had to talk to us and a very eloquent spokesman he proved to be, Charles C. Pettibohn of New York, general manager of the American Exhibitors' League.

Now you can see with this many sided business what possibilities there were for discussion and may we say for heated discussion? Yet the sessions were calm and all the questions settled in the most friendly spirit.

## NOBODY KNOWS

what may be the result of a neglected cut. Many a serious case of blood-poisoning has resulted from just such a small injury. All the suffering and expense which this entails can be avoided by the timely use of Zam-Buk.

Zam-Buk, immediately it is applied to a wound, destroys all germs, thus preventing their accumulation, which is the cause of blood-poisoning. When the sore place is thus thoroughly and medicinally cleansed, by Zam-Buk the healing process in the balm grows new tissue, and a speedy cure is effected.

Be prepared for every little cut or scratch by always keeping a box of Zam-Buk on hand. It is equally good for burns and scalds, as well as for eczema and all skin troubles--chronic sores, bad legs and piles. All dealers or Zam-Buk Co., Toronto, 50c. box, 3 for \$1.25.

and the adventures of Tom Carlton, a newspaper man, that her waking and sleeping hours consist of dodging death at the hands of the Order of the Violet God and Richard Carlsale. Her career was followed last night with the most lively interest, and there is every indication of a fine serial following. I left Pearl swinging on a swing to which she had just leaped from a breaking stair rail.

The Arlington Orchestra are being heartily welcomed back to St. John, and they have new music which they play with a swing.

Miss Tapley and Miss Bruce's appearance is announced for this evening at the Unique and Lyric.

## Nerves of the Stomach

Were Weak and Inactive as Result of Nervous Prostration--Lost Twenty Pounds--Had to Take Sleeping Powders to Get Any Rest.

St. Catharines, Ont., Sept. 10--Many people never realize that the movement and action of every organ of the human body is dependent on the nervous system.

When the nervous system gets run down there is weakness throughout the entire body. You feel tired and languid and your stomach and other digestive organs are similarly affected. Appetite fails, digestion is poor, you do not get the good of what you eat and gradually grow weaker and weaker.

This process can only be stopped by such treatment as Dr. Chase's Nerve Food, which goes directly to create new nerve force and thereby to invigorate the whole human body.

Mrs. Geo. E. Ellis, 46 Davidson street, St. Catharines, Ont., writes: "My husband had an attack of nervous prostration, and although he doctored for some time and tried different other medicines, he could not get relief. He had to resort to sleeping powders given him by the doctor to make him sleep. The greater part of the trouble seemed to be with the nerves of his stomach. He began to lose weight, and kept on going down until he had lost twenty pounds. We had read advertisements in the newspapers for Dr. Chase's Nerve Food, and noticed that it seemed to be doing a lot of good for people troubled with nervousness, so my husband decided to try it. He found benefit almost from the start, and continued this treatment until he had taken about twelve or thirteen boxes. The results were most satisfactory. He is now enjoying good health, sleeps well, and has gained back nearly all the weight he had lost. He also uses Dr. Chase's Kidney-Liver Pills occasionally, and thinks them an excellent remedy. I have also used this latter medicine for dizzy spells and liver trouble, and was completely cured of these complaints. We think a great deal of Dr. Chase's medicines, and cannot speak too highly of them."

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for \$2.75, at all dealers, or Edmondson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

UNIQUE.

"The Fatal Ring."

"You have got to hand it to Pathe for serials," said an exhibitor to me not long ago, and it is certainly true. The Unique theatre was filled to witness the beginning of the Serial "The Fatal Ring," featuring an actress who though she has never appeared in St. John, we may well call "our Pearl," for we have watched her through many perilous happy adventures.

In "The Fatal Ring" Pearl White plays the part of Pearl Standish, a rich girl. A demand is made on her by a man named Nicholas Knox, for the violet diamond, which he claims her father bought after it had been stolen from the Sacred Order of the Violet God. Pearl disclaims any knowledge of the diamond, and the followers of the Violet God begin forthwith to make life interesting for her. She is given fifteen days to live if she does not return the diamond, but before the days pass she has become so involved in the affairs of the followers of the Violet God, in the villainies of Richard Carlsale

## MISS TAPLEY GUEST OF HONOR AT LUNCHEON.

At the 1890's of the Lantern tea rooms yesterday Miss Rose Tapley and Miss Belle Bruce were entertained at luncheon by Miss Alice Fairweather, Motion Picture Editor of The St. John Standard. To meet Miss Tapley were invited representatives of the societies interested in the betterment of conditions and in the artistic side of life. The table was decorated with garden hydrangea, and the place cards bore a small portrait of the guest of honor.

Those present who enjoyed meeting Miss Tapley and Miss Bruce, were Mrs. Kuhn, president of the Women's Canadian Club; Miss Grace Leavitt, vice-president of the Local Council of Women; Mrs. H. A. Powell and Mrs. Leonard Tilley, vice-presidents of the Women's Canadian Club; Mrs. W. E. Raymond and Mrs. Silas Alward, officials of the St. John Art Club; Mrs. Lawrence, a member of the National Council of Women; Mrs. James F. Robertson, of the Canadian Club and a member of the Library Board, and Mrs. Richard Hooper, of the Women's Suffrage Club.

This morning a motor trip is planned for Miss Tapley and Miss Bruce so that they may see the beauties of the Kennebecasis River. After lunch with Mrs. Kuhn they will visit the Red Cross, in which they are deeply interested.

Miss Tapley is a cousin of Captain Bartlett, the well known explorer, and happened to have with her some

interesting pictures of this famous traveller. She described some incidents which had come to her first hand from the trips to the Arctic regions.

**LOYALIST DESCENDANT DEAD.**  
At Bucouche on Sunday last James Henry Powell, a merchant of that place passed away. Mr. Powell and his brother George are probably the only surviving children of a Loyalist in the province of New Brunswick. Mr. Powell's father, Thomas Powell, formerly judge of the Court of Common Pleas for the county of Kent, was born in Peekskill, N. Y., in 1777, and came to St. John with his father, Solomon Powell, grandfather and several uncles in 1784. The family settled at Gagetown, but Solomon and three of his brothers removed to Richibucto where they engaged in the lumbering and fishing business. The firm Powell and Pagan was the largest in the county of Kent in early days. Mr. Pagan was also a member of the Pagan firm of St. John, St. Andrews and Quebec.
