ANDOVER HERO IS RECOVERING

Flight Lieutenant George B. Wootton Was One Time Reported Dead—Had Thrilling Experience and Wounded Over German Lines.

Flight Lieutenant George B. Wootton, a former Andover boy, and only son of N. J. Wootton, is in the Mary La Bonne Hospital, England, and is rapidly recovering from wounds received in action.

At a former time, official word from Ottawa reached his parents that he had made the supreme sacrifice, and was mourned as dead by his parents. Happily the official intelligence was not correct, and today Flight Lieutenant Wootton is a live soldier.

He went overseas in 1916 with the 140th Battalion. On October 30 last, while flying at a height of eleven thousand feet, four miles over the Hun lines and in a Sopwith Camp bell machine, he was suddenly at- tacked by anti-aircraft guns and shot through the right buttock, besides suffering a fractured right femur and hip joint shot through. With endur- ance beyond description, the young officer, lashed again and again, escap- ed the air craft of the enemy, and safely made a landing behind the British lines.

He was conveyed to No. 8 General Hospital at Rouen, France, and there remained, receiving the best of sur- gical treatment until March 7th, when he was considered sufficiently recov- ered to be removed to the Mary La Bonne Hospital in London.

Writing to his father under recent date, the officer, who is only twenty- three years of age, stated he was re- ceiving the very best care that was obtainable. The Red Cross were ex- tremely kind to him, as were the En- glish ladies and nurses. Commenting on the nature of his wounds he fear- ed he would be lame for life, as the wound in his femur which was twelve inches long, four inches wide and cut to the bone would seriously interfere with that member's growth in the future. However, he optimistically remarked to his "dad," that he was in- deed a lucky boy not to have taken "the dip"—evidently meaning the trip to eternity. He was rapidly recov- ering, was receiving the best of care, and hoped to be around in a few months time. Speaking of the Cana- dian wounded in England he added: "There are only about three thou- sand and Canadians in the British hospi- tals at the present time, and this number was being removed to the different Canadian hospitals in the immediate future."

THE CIRCUIT COURT CASES YESTERDAY

The Circuit Court resumed its sit- ting yesterday, Mr. Justice McKoy presiding. Two cases were disposed of and a third was adjourned until April 20th, as counsel for the defendant was unable to be present. The defendant was then made until Monday, April 14, at 10 o'clock, when the grand jury will be recalled to deal with five criminal indictments. The murder trial will be resumed on April 23.

In the case of Kindred vs. Ellis, the cause of action in which arose in an automobile collision in Passaic street, West, in October last, the plaintiff, who sued for \$271.71, was awarded a verdict of \$221.71 for damages and cost of service of his car, or a reduc- tion of \$50 in his item of \$100 for car service. Verdict was also given in favor of the plaintiff in a counter- claim for \$35 damages brought by the defendant. John A. Barry acted for the plaintiff and J. Starr Tait for the defendant.

In Currier et al vs. Archibald, judg- ment for \$71 was given for the plain- tiff as the defendant did not appear, with the ruling that should the de- fendant desire later to pay the cost and re-open the case, he may do so. S. H. Cohen, defendant in the case of Teed and Teed vs. Cohen, a new legal case, told the court that he had been unable to get a lawyer here to represent him and that he had ar- ranged to have M. L. Hayward, Har- vard, Carleton Co., to handle his case. Mr. Hayward was expected at noon and hearing was postponed until 2:30. When court resumed at 2:30 the ef- fect that he could not be on hand was read and the case was adjourned until April 25. J. F. H. Teed for the plaintiff.

Lemons Do Whiten! Try This on Face, Neck, Arms, Hands

The lemon juice massage indulged in once or twice each day means a little time and trouble, but what of the splendid results? A skin bleached beautifully white, a complexion with the bloom of a peach, a soft- ening of those lines of care; in fact, a skin eloquent of nature's purity and hands white, soft and full of charm. "What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white this time. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and you have a white quart jar full of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When massaged daily into the face, neck, arms and hands, it should natu- rally help to whiten, clear, smoothen and beautify the skin.

Any drug store will supply three ounces of orchard white at very lit- tle cost and the grocer has the lem- ons.

MANY DETAILS FOR OVER OCEAN FLIGHT

Flame and Smoke Flares to be Used to Determine Exact Course.

Washington, April 7.—Flame and smoke flares developed during the war and improved recently by chemical ex- perts of the army will be factors in the trans-Atlantic flight to be under- taken next month by naval seaplanes. By dropping these flares at intervals, the aviators will be able to determine the drift of their planes in the cross- winds and make the correct course ne- cessary to keep them on their course.

Commander J. H. Towers, in charge of preparations for the flight, explained today that the flares would be in the shape of bombs which, upon striking the water, would give off flame and smoke, the one visible for long distances at night, and the other by day. The flares would remain vi- cularly stationary on the water and thereby indicate the angle at which the machines were being driven from a straight line.

This is only one of the many details which officers in charge of the plans for the flight have had to work out. Special devices have been necessary in each case and this in a measure accounts for the length of time con- sumed in making ready for the start.

Numerous experiments with the planes themselves also have been ne- cessary. None of the three of the NC type thus far completed is ready for the start of the overseas voyage, and officers said today that consequently they have not even undertaken to se- lect a tentative date for leaving Rock- away Beach, L. I., on the 1,200 mile flight to the "jumping off" place in Newfoundland. At least one stop will be made between these two points.

The destroyer Barney, which is cruising along the north Atlantic coast to select possible landing places for the machines as well as a suitable starting point for the overseas voyage now is en route to Newfoundland from Halifax. On the first attempt to reach the former place the vessel was held up by ice floes and at the navy depart- ment today no information had been received as to the success of the se- cond attempt.

Washing Won't Rid Head of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, use about four ounces of ordinary liquid arvon; apply it at night when retir- ing; use enough to moisten the scalp and rub it in gently with the finger tips. Do this tonight, and by morning, most if not all of your dandruff will be gone, and three or four more ap- plications will completely dissolve and entirely destroy every single hair and scalp matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluff- y, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get this liquid arvon at any drug store. It is inexpensive and never fails to do the work.

FUNERAL OF MRS. A. D. ROSS

Amherst, April 7.—The funeral of the late Mrs. A. D. Ross took place yesterday afternoon. The minister of the morning had given way to a go- rageous sunshine, and nature itself gave the occasion such an endowment as the deceased would have wished. There was a short service at the house, conducted by Rev. P. A. Walker, and then the body was taken to St. Stephen's Presbyterian church, where a simple service was observed. The pastor read of the 14th Chapter of St. John—"Let Not Your Heart be Troubled," and the latter part of the service was devoted to the hymns of the deceased—"Abide With Me" and Whittier's lovely lines "When on My Day of Life the Night is Falling." Mr. D. W. Fraser sang in splendid and feeling voice another favorite of the deceased—"To-day is Good-bye." None of the large at- tention, representing every class, and creed and interest in the town, but what was deeply affected by the sym- pathetic rendering of these wonderful lines. Rev. Dr. Steele added his deep sympathy in a very touching prayer. The procession was then formed and the last sad rites took place at High- land cemetery. The pall bearers were Messrs. C. D. Dennis, B. C. Munro, C. W. Main, P. C. Black, C. S. Sutherland and D. S. Biggs.

The sympathy of many friends was evidenced in the great profusion of floral offerings, and the many tele- grams received from many parts of Canada and the United States. Scores of friends felt it a personal loss that one they had known so long should have been taken so suddenly away.

The late Mrs. A. D. Ross was the daughter of the late Captain C. N. Goldsmith and Mrs. Louis Harris Goldsmith, two of the historic fam- ily of Annapolis county, where the de- ceased was born forty-nine years ago. Her husband, A. D. Ross, of the Am- herst Daily News, and two sons sur- vive her. R. M. Ross is connected with the News and W. A. G. Ross with the Canada Car Company.
