before purchasing a baking powder that may possibly contain injurious ingredients. Many food scientists claim that baking powder containing alum is unsafe for use in food. The mere fact that some brands of baking powder have the words "No Alum" on the label is not sufficient proof that they are what they are represented to be. Our chemists find a good many have "No Alum" on the outside but large quantities of it inside.

## The Boy Scout Leaders' Convention

The First Convention for Province of New Brunswick Opens This Afternoon — Leaders from All Over Province Will be Present.

The first Boy Scout Leaders' Convention for the Province of New Brunswick will open this afternoon at Trinity Church Schoolroom at 4.15 o'clock.

A large number of leaders, both men and boys, will be in attendance from all parts of the province, and the event will be of great importance to the Boy Scout Movement in this section of the Dominion. Similar conferences have been held recently in Nova Scotia at Sydney, Cape Breton, and at Halifax, with exceptionally large attendances of boys and men.

The first part of the opening session will be taken with the registration of the delegates attending, and following this, A. C. Skelton, the Provincial Commissioner, will address the delegates briefly, after the Convention has been officially opened by a repetition of the Scout Law and Promise in unison.

An address will be given by H. O. Egan, the Assistant Provincial Commissioner on Troop organization, to be followed by a discussion led by the speaker. At 6.15 a Scout Brotherhood supper will be held in Trinity Church Schoolroom, and after supper there will be a demonstration of a Model Boy Scout Troop Meeting. L. W. Narraway will act as Scoutmaster at this demonstration, and he will be assisted by the following boys, who will act as Patrol Leaders: Paul Walsh, Troop Leader; Gordon Adams, Patrol Leader of the Bear Patrol; Fred Strong, Patrol Leader of the Buffalo Patrol; Stanley Goodwin, Patrol Leader of the Eagle Patrol, and Percy Johnston, Patrol Leader of the Tiger Patrol. Following the Troop Meeting, a Court of Honour meeting will be held.

The meetings are all open to all officers and leaders of Boy Scout Troops in St. John and the province at large. Also anyone interested in the movement is invited to the demonstrations, which will start about 7.30 o'clock.

The Convention will convene again on Saturday morning at 9 o'clock, when, through the courtesy of the Canadian Universal Film Manufacturing Co., and W. H. Golding, of the Imperial Theatre, the Boy Scout film, "Boy Scouts to the Rescue," will be shown to the delegates. Following this will be a period open to boy delegates only, at which a discussion of topics relative to scouting will take place.

A lunch will be given at Bond's at one o'clock, when the delegates will be the guests of several business men of the city, principally going to St. John Rotary Club. An address will be given by Archdeacon Crowfoot at 2.30 on the Boy Scout Movement and the Church, to which are invited especially the clergy of the city and all interested in the development of boys' work in the church and Sunday school.

There will also be a special session for Scoutmasters and other Troop and district and provincial officers following this address. During the session for the officers the boys will be excused.

The following delegates from Woodstock arrived on the late train last night: Messrs. Geo. Hanson, Scoutmaster; Troop Leader Geo. Jones, and Patrol Leaders Hamilton Batford, Harry King, and A. Rogers. The Sussex delegates will arrive at noon and the Rothesay representatives on the later suburban.

PLEASANT EVENING  
AT ST. LUKE'S CHURCH

Bible Class Held Closing Exercises — Rev. Moorehead Legate Lectured on Life and Customs of Fiji Island Natives.

The Bible Class of St. Luke's Church, Main St., held their closing exercises last evening. The event was marked by the presence of Rev. Moorehead Legate, pastor of Knox Church, who lectured on "Life and Customs of Fiji Island Natives." The Rev. speaker gave a delightful and vivid word picture of the life and customs of the natives of the Fiji Islands, where he spent three years. At the conclusion of the lecture, W. A. Smith sang a solo. The President of the Class extended a vote of thanks to the Rev. Legate, to the choir, and to the ladies of the class, who had so kindly provided refreshments for the evening.

Hiram Briggs Escaped from Reformatory Taking Articles Belonging to Others—Arrested Yesterday for Robbing a Store.

Hiram Briggs, a juvenile, was arrested yesterday by Police Constables Gibbs and O'Dell of the North End station in connection with the robbery of Frank Purdy's store on Clay Road early Thursday morning. The young lad has been an inmate of the Reformatory from which he escaped Wednesday. Before his escape he had appropriated several articles belonging to other people including a rifle and a pair of puttees. It seems he was rather hungry after his escape from the Reformatory and wished for some refreshment. It did not matter much when he took the store that he chose to rob, probably the most profitable. Though still of tender years the young lad is an old offender to the police.

Mr. and Mrs. Warren Harris of Annapolis Royal were registered at the Dufferin yesterday.

Mrs. W. W. Clarke of Bear River, N. S., is spending a few days in the city.

## City Debentures Offered Next Monday

City Will Sell \$318,500 in Ten, Twenty and Forty Year Terminations, Bearing Interest at Rate of 5 1/2 Per Cent.

St. John investors will on Monday be offered an opportunity to show their faith in the future of the city, and incidentally secure a fine investment at the same time as there will be offered for sale on that date \$318,500 of city debentures, in ten, twenty and forty year terminations, bearing interest at the rate of 5 1/2 per cent.

The price at which these bonds will be offered to the public will bring the investor a return of 5 1/2, and they will have the credit of the city behind, thus offering an opportunity which no doubt many have been looking for.

They will be placed on sale in the office of the chamberlain, City Hall, and it will be a case of first come first served, and judging from past experience those who wish to buy had better be on the ground early. The last issue of city bonds, which totalled about half a million dollars, was sold over the counter in the same manner and was all bought up in about ten days.

Of the amount which is offered to the public now \$17,500 are one year; \$3,500, twenty year and \$21,500 forty year.

A portion of the issue will be bought by the city and placed in the sinking fund and it will be to the advantage of intending purchasers to be on hand early.

How Conditions  
Look In Paris

Letter Received by St. John Man Yesterday Gives a Pessimistic Picture of Conditions in France.

A St. John man received a letter yesterday from a friend in Paris, which gives a pessimistic picture of conditions there.

Here in Paris, says the writer, "there are grave fears that the May day demonstrations will lead to revolution. The strikes will cripple Paris and will be widespread over France. In the inflammable temper of the working class anything is possible, and a lot of bloodshed is probable anyway. The way the Government is moving troops about makes people say there is uncertainty as to whether they can be relied on."

"Since the war the Government has been in the control of the capitalists and the Imperialist interests, and more occupied to promote schemes of aggrandizement than to bother about home problems. With the restraints of war abolished, profiteering has flourished, and the condition of the masses of the people in cities has become almost unbearable. Failure to secure indemnities or supplies in any quantities from Germany has held up industry. The immediate object of the great strikes scheduled for May day is to force the Government to do something to relieve the growing pressure on the working class."

"Revolutionary elements are in control of the labor movement, but it is hardly likely they are really planning revolution, as it would doubtless lead to a long civil war. But a spark may prove serious trouble. The war profiteers are already leaving the capital."

ANOTHER RECORD YEAR FOR CANADIAN RUBBER.

Expansion Policy in 1919—Means Increased Output for 1920.

Without war orders in 1919, the Canadian Consolidated Rubber Co., Limited, was able to exceed its previous year's record. The immediate object of the great strikes scheduled for May day is to force the Government to do something to relieve the growing pressure on the working class.
