#### BUDGET HIGH SPOTS

FROM 1 & SPEECT OF SIR
TOMAS WAITE
The net debt of Community when all

populatio. sn annual interest but of oil 15,000.000.

The wer expenditure for the present fiscel year, which be an April will be \$450,000.000, and the total expenditure of the Government \$520,000,000. The revenue will not exceed \$280,000,000.

For the past fiscal year there is asurplus of \$70,000.000 in ordnery revenue over expenditure, of which \$48,000,000 has been devoted to war expenditure.

To meet these expenditures there will be another loan, which will be of long-term kind.

"We have a country of almost unlimited natural assets and a enterprising people of great stability of character end ardent aspiration for national and individual success.

Our aWility to meet and retire o war oligations will depend en our power to increase our production of natural and manufacturing commodities, to economize individually so as to increase in domestic wealth and savings, and prod-e a more favorable balance in our internaional trade. In other words, the motto for this future, as it was in the war, must be 'Produce and Save.'

"We must increase Canada's population, bringing in particularly that class which will engage in agricultural and other basic industries.

"As a great food producing country Canada is bound to enjoy agricultural prosp-rity."

"As a great food producing country Canada is bound to enjoy agricultural prosperity.

"In view of conditions in Europe Canada's agriculture will not lack for profitable markets for all it can produce. Exports of this kind should go far towards insuring most favorable trade balances for the future.

"Every effort should be made to develop and expand our export trade in m aufactured articles as well a in the immedate natural producets complished in a canadian shops and mills of manufacturing proceessin order that we may obtain the benefit of the greater value of finished articles as compard with the fit of the greater value of finished articles as compard with the fit of the greater value of finished articles as compard with the fit of the greater value of finished articles as compard with the fit of the greater value of finished articles.

"In order to meet keen international competition the Governmens will give assistance in information, transportation and financial facilities.

"During the five years from 1914 to 1919 Canada's total trade doubled, while for the year 1918, which marked the highest point, it aggregated 2! times the trade of 1914.

"It wouldn't be practicable at this time," he said, "to make a sound general revision of the tariff. International trade is most unsettled, still h perced by the war restrictions and prohibitions and by exchange conditions which are any may long contentinue to be subject to violent fluctuations. Prices are unstable and labor conditions, internationally speaking, most uncertain. Until peace is restored and the world is

# Wellington THE UNIVERSAL PIPE It's the "well" in the Wellington

that makes it a universal favorite. Pipe smokers always appreciate the way the well keeps the moisture and stray tobacco from the mouth. A Wellington draws clean and dry and the top opening bit sends the smoke up away from the tongue. Be sure and look for the WDC triangle trademark. . That's proof you are getting a genuine French Briar, guaranteed against cracking or burning through. All good dealers sell W D C Wellingtons in all shapes and sizes at \$1.00 and up.
