## ROOSE BRUSH CUTTER

The greatest boon to the farmers of the West since the invention of the binder. Cuts from five to twenty-five acres of brush per day. Requires only three horses to cut the heaviest willow, and cuts close to the ground, leaving it so that a mower or plow can be used afterwards. Takes the place of forty men cutting by hand and does the work ten times better.

For full particulars write to the manufacturers—

### British Columbia IRRIGATED FRUIT LANDS with Water Free

Several hundred acres of the finest fruit lands have been put on the market for sale in the Kettle Valley, which have been subdivided into lots of various sizes; many of these front along the river and are beautifully situated. Soil a rich sandy loam, which produces the most magnificent apples, small fruit and vegetables. Very valuable local market only a few miles away in the flourishing mining district of the boundary, where the monthly pay roll is \$250,000. Splendid climate. About 30 miles east of Okanagan Valley. Excellent railway facilities. Prices only \$100 to \$150 per acre. Abundant supply of the finest water and no rent to pay for it. Apply to
