

GOLDEN IS BROUGHT BACK

On Criminal Warrant Sworn Out by Thomas Sparks.

Had Sold Property Entrusted to Him and Failed to Settle—Former Partner of Joseph Selix.

Frank J. Golden, formerly proprietor of the Juneseu Hardware store, on Second avenue, started for Nome on a bicycle at 4 o'clock this morning, and 5 1/2 hours later, at 9:30, a policeman with Tom Chisholm's 2:33 1/2 dog team started in pursuit. Each dog was given a spoonful of gunpowder before starting; the policeman and driver each took two spoonfuls, with the result that Golden was overhauled 18 miles down the river and was back in Dawson by 3 o'clock this afternoon.

The pursuing officer was armed with a warrant for the ex-merchant's arrest, which was issued at the instigation of Thos. Sparks, for whom Golden had sold a lot of tram car wheels and neglected to turn over the money, amounting to \$160. The name of the officer making the remarkably speedy trip was not learned, as he had not returned from the barracks, to which place he escorted his prisoner on returning to the city, therefore he was not seen by the reporter.

Golden was a partner of Joe Selix up to the time the latter was arrested for knowingly receiving goods stolen by O'Day from the Yukon Iron works, for which both the thief and receiver have but lately been discharged, after serving two months' term in the district jail.

Golden is now in jail, but he has several friends of both means and influence, and it is likely that they will rally to his support.

Challenge From Fitzsimmons.

New York, Feb. 18.—Bob Fitzsimmons today posted \$5000 with the sporting editor of the New York Journal as a forfeit to bind another match with Jim Jeffries, and issued an open challenge to any fighter in the world.

The ex-champion said that his money would remain up under the following conditions: To give Jeffries first chance, providing he would sign articles now.

"I don't care when the fight will take place," said Fitzsimmons. "All I want to know is that Jeffries means business. If Jeffries does not show any desire to meet me and cover my money within a week, I will take on Sharkey. But the fight with the sailor must be for a side bet, and the winner to take all. I will meet Jeffries under same conditions. If Sharkey is not prepared to come to terms, McCoy or any middleweight can have a match with me."

Congressman Dead.

New York, Feb. 13.—Congressman Charles A. Chickering, of Copenhagen, N. Y., was found dead outside the Grand Union hotel in this city today. He had either fallen or jumped from the fourth story window of the hotel. The body was found at 5 a. m. under the open window of his room, which was on the fourth floor. Evidently it had been lying there for some time, as the clothing was saturated with rain.

Chickering's friends have been aware that for some time he was afflicted with melancholia following a severe attack of typhoid fever.

Anti-Trust Conference.

Chicago, Feb. 13.—After a heated debate the resolutions committee of the anti trust conference decided to report in favor of government ownership of railroads and for their seizure on payment of actual value and without payment for "watered stock or other fictitious values." There was a sharp discussion in the committee and several tilts between members, brought on by an effort to make the platform read, as it had been drawn up, that the government should seize the railroads on

payment of actual values, "and without payment for actual values." Unanimous action was finally obtained by cutting out the words "franchise values" and inserting instead the phrase, "watered stock or other fictitious values."

The committee also unanimously favored direct popular legislation as a means of obtaining the result.

Last Night's Dance.

A pleasant dance was given last night at the Dawson Dancing Academy in the McDonald hall, in honor of Mr. and Mrs. G. K. French. There were present about 40 invited guests. The program consisted of 21 numbers, and the strains of "Home, Sweet Home," did not disperse the dancers until 2 o'clock this morning. Colation was served at midnight. An orchestra of eight pieces, under the leadership of Mr. Thomas Mauzey, rendered good music. Prof. James Duffy managed the affair.

Those present were: Mr. and Mrs. George K. French, Mr. and Mrs. H. B. M. Miller, Mr. and Mrs. G. L. Hill, Mr. and Mrs. T. Mahoney, Mr. and Mrs. F. N. Smith, Mr. and Mrs. C. C. McCaul, Mesdames Alex McDonald, Calderhead, Mrs. W. Barrett, M. R. West, Misses Gandolfo, Mosher, Comer, Smith, Booge, the Misses de Lobel, Messrs. J. Wiley, Marks, C. F. Smith, Rumsey, Tiffen, Norris, Yemans, McDougal, Buck, Byrne, Vashon, De Lobel and Capt. D. B. Olson.

POLICE COURT.

Capt. Stearnes occupied the bench as police magistrate this morning, the first case being that of the Crown vs. Geo. Hillyer, more extensive mention of which is made elsewhere in this paper.

Arthur Gagny, a Frenchman, charged with having knowingly received stolen money, a portion of Hillyer's alleged theft, was held in the sum of \$400 for his appearance this afternoon, Messrs. Binnett and Hammel going on his bond.

F. Geisley and F. King adjusted a matter of money without the case being tried. The latter acknowledged the former's claim and agreed to pay him \$125 tomorrow, and the balance, a similar amount, in 15 days.

In the land where magnolia blooms are two feet in diameter and where "cotton ain't king, sah," many a negro has been tried, convicted, sentenced, hung and his widow remarried all in less time than it took to try a dog case this morning, and it was only an ordinary 'possum dog at that. Albert Moss who had purchased the dog at Skagway last March, at which time he received a bill of sale, was up on the charge of having stolen the same dog which is also claimed by Day Bros. & Bell. The plaintiffs had an entire precinct in as witnesses, but the real ownership of the dog was not proven, but it was proven that all parties to the suit were honest in believing themselves the proper owners. The charge against Moss was dismissed, the court stating that the case had no business on the criminal docket. As to the ownership of the dog, the case will probably be brought in civil court.

A Boon to Miners.

The greatest saving for steam thawing plants is effected by the applying to all steam pipe a covering of corrugated asbestos. The air chamber made by the corrugations acts as a perfect non-conductor and full 50 per cent less fuel is needed to keep up the required head

of steam. It is in use on all the large plants on Bonanza. The A. E. Co. is introducing the corrugated asbestos—a great improvement over all other styles of pipe covering.
