R. H. Lear, in returning sincere thanks for the
liberal patronage he has received during the last ten
years, desires to say to his many friends and cus-
tomers, that for some time he has felt it impossible
with the limited accommodation of his premises to
do them the justice he would wish. Pressed by a
rapidly increasing trade, and recognizing that this
FAIR CITY OF TORONTO is bound to become and
remain the STAR OF THE DOMINION, he has de-
cided on building a store for PLUMBING and GAS FIX-
TURES that will be suitable for the full carrying out of
all work entrusted to him.

SANITARY PLUMBING is under the special
charge of his son, who has just returned from
Chicago, having been the last three years in the
best shops there, and attained a reputation equal to
the best.

AN EXTRAORDINARY OFFER TO GOOD AGENTS

We want Live, Energetic and Capable Agents in every county in the United States and Canada, to sell a patented article of great merit, on its merits. An article having a large sale, paying over 100 per cent profit, having no competition, and on which the agent is protected to the exclusive sale by a deed given for each and every county he may secure from us. With all these advantages to our agents, and the fact that it is an article that can be sold to every house-owner, it might not be necessary to make an "Extraordinary Offer" to secure good agents at once, but we have concluded to make it to show, not only our confidence in the merits of our invention, but its salability by any agent that will handle it with energy. Our agents now at work are making from \$100 to \$200 a month clear, and this fact makes it safe for us to make our offer to all who are out of employment. Any agent that will give our business a 30 days' trial and fail to clear at least \$100 in the time, show all expenses, can return all goods unsold to us and we will refund the money paid for them. Any agent or General Agent who would like to see more counties and work them, then 30 sub-agents for 30 days and fail to clear at least \$750 show all expenses, can return all unsold and get their money back. No other employer of agents ever dared to make such offers, and we are the only one that we have agents now making more than double the amounts we guaranteed, and that but two sales a day would give a profit of over \$125 a month, and that one of our agents took 18 orders in one day. Our large descriptive circulars explain our offer fully, and these we wish to send to everyone out of employment who will send us 3 one-cent stamps for postage. Send at once and secure the agency in time for the boom, and go to work on the terms named in our extraordinary offer. We would like to have the address of all the agents sewing machine solicitors and carpenters in the country, and ask any reader of this paper who reads this offer to send us at once the name and address of all such they know.

Address at once **BENNER MANUFACTURING CO., 249 Smithfield Street, Pittsburgh, Pa.**
