

lows: 2. Each County Council at its first session to be held after the first day of January next, shall select and appoint as Trustees of each Grammar School situated in a town or incorporated village and within its jurisdiction, three fit and proper persons as Trustees of such Grammar School; and the corporation of the town or incorporated village municipality, within the limits of which such Grammar School is or may be situated, shall also at its first session in January next, appoint three fit and proper persons as Trustees of such Grammar School, one of whom, in the order of their appointment, in each case, shall annually retire from office on the thirty-first day of January in each year (but may be re-appointed);

Villages hereafter Incorporated.

[And, on the incorporation hereafter of any village in which a Grammar School is established, the County and village Councils shall at their first meeting in January next thereafter, appoint trustees in like manner as aforesaid, for the Grammar School in such incorporated village;

Mode of Filling Vacancies.

[And the vacancy occasioned by the annual retirement of Trustees, as also any occasional vacancy in their number, arising from death, resignation, removal from the municipality, or otherwise, shall be filled up by such County, Town or Village Council, as the case may be; provided that the person appointed to fill such occasional vacancy shall hold office only for the unexpired part of the term for which the person whose place shall have become vacant was appointed to serve.*

Trustees to be a Corporation; Powers.

[The *third* section of the same Act also provides that 3. The Trustees appointed as aforesaid, shall be a corporation, and shall succeed to all the rights, names, powers and obligations conferred or imposed upon Trustees of Grammar Schools, by chapter sixty-three of the Consolidated Statutes for Upper Canada, and by this Act.]†

* This *second* section is designed to give towns and incorporated villages a voice in the management of the Grammar Schools within their respective boundaries; but it is not desirable to give them exclusive control, as the area of a town or village is not sufficient for the support of a school, and as many of the pupils come from outside of the town or village, and it is expedient to encourage such attendance. The town or village, however, should have an equal voice with the county in the appointment of trustees, as the Grammar School is chiefly supported by the smaller municipality, and is within its boundaries.

† This *third* section is a necessary supplement to the second.
