

9 GEORGE V, A. 1919

Montreal,
17th April,
1845.

J. Viger to Neilson. Thanking him for his efforts to secure from Mr. Glackmeyer a memoire on the Military Government of Three Rivers from 1760 to 1764. Personal items.

Boston,
3rd June,
1845.

R. F. Gourlay to Neilson. A long, disconnected letter, dealing with his grievances, and his past relations with Neilson.

9th June,
1845.

An extract from the minutes of the proceedings of the general committee for the relief of the sufferers by the late fire, at a meeting held June 9. It was a resolution to the effect that the sub-committee for the suggestion of measures for preventing fires should put themselves in communication with the corporation of the city or with any committee appointed for the consideration of the same subject.

11th June,
1845.

E. L. Montizambert to Neilson. Stating that a meeting would be held of the sub-committee for the suggestion of measures for preventing fires, for the purpose of conferring with a committee of the city council.

London,
3rd July,
1845.

Wm. Weir to Neilson. Relating the proceedings in connection with the securing of relief for the sufferers by the fire in Quebec.

14th July,
1845.

Two resolutions of the General Committee for the relief of the sufferers by the late fire in Quebec; one to restrict the practice of smoking in public places, the other authorizing the erection of a model building, according to a plan submitted, to afford accommodation to sixteen families of six persons each, at a cost not exceeding £100.

East
Frampton,
14th July,
1845.

Michael Quigley to E. Glackmeyer. Inviting attention to the excellent quality of the slate from a mine which he is working, and, in connection with the rebuilding necessitated by the late fire, asks for some public assistance in the development of the mine.

Quebec,
29th July,
1845.

Rev. C. T. Baillargeon to Rev. Dr. Cook. The Fabrique of Quebec accedes to the request of the committee charged with procuring temporary quarters for the victims of the late fire, who ask for permission to erect buildings on their property, under certain conditions mentioned.

Quebec,
1st August,
1845.

Three offers for work in connection with the buildings to be erected as temporary shelter for the victims of the late fire.

Quebec,
22nd August,
1845.

Pierre M. Paquet to the Aid Committee in connection with the late fire. Although a heavy sufferer from the fire, he offers to the committee for 18 months, two lots in St. Roch for use in providing shelter for the unfortunate victims, and stating his wishes respecting the buildings to be placed on them.

Secretary's
Office,
Montreal,
26th August,
1845.

The Hon. D. Daly to Neilson. Informing him that it is proposed to place the insane in Lower Canada in an institution at Beauport, under the superintendence of a body, of which it was proposed to make Neilson a member, and asking whether he would accept. (In a note on the letter dated the following day, Neilson indicates his acceptance).

Boston,
28th August,
1845.

R. F. Gourlay to Neilson. Dedicating a volume to him; also, pointing out several particulars in which Neilson had done him wrong.

Montreal,
12th Septem-
ber, 1845.

Sir A. McNab to Neilson. Introducing Mr. John McPherson an architect from Scotland, who is visiting Quebec in connection with the rebuilding of the burnt section.

Quebec,
18th Septem-
ber, 1845.

J. Neilson to A. Simpson. (Draft). Illness will oblige him to withdraw from the active work of the committee charged with the rebuilding of the burnt section.

Quebec,
10th Octo-
ber, 1845.

T. A. Stayner to Neilson. On behalf of the Quebec British and Canadian School, he is forwarding the usual petition for parliamentary aid, which he asks Neilson to submit to the Legislature, and to support.
