

WARM THE COLD CORNERS

Autumn days are chilly, but there need be no cold corners in the house where a

is used. It warms up bedroom and bathroom on cold mornings before the furnace or the stove is going, and in very cold weather gives just the extra heat needed to keep the living rooms comfortable. A Perfection Heater saves money, too,—coal bills are a lot less because you don't have to start the fire so soon.

Perfection Smokeless Oil Heaters are inexpensive to buy and inexpensive to use. They're clean, light, portable, and guaranteed smokeless and odorless. At hardware and furniture stores everywhere. Look for the Triangle Trade-mark. *Royalite Oil* gives best results.

Let me talk to you about
Anaemia

Our blood is composed of red and white corpuscles—the red to nourish the body, the white to fight disease. In Anæmia, the red corpuscles are more or less deficient. Thus the blood cannot properly sustain and nourish the body. The eyes become dull, the face white, and a feeling of intense weariness pervades the whole system. There is nothing so effective in Anæmia as 'Wincarnis.' Because 'Wincarnis' floods the body with *new, rich, red blood*, which gives a sparkle to the eyes, brings the roses into the cheeks, and gives *new vigour, new vitality and new life* to the whole body. Will you try it?
