democratic society and system of government, while among the grandest of human concepts, are among the most difficult to implement. In a democracy it is all too easy for the majority to forget the rights of the minority, and for a remote and powerful government to ignore its protests.

"It is all too easy, should disturbances erupt, to crush them in the name of law and order. We must never forget that, in the long run, a democracy is judged by the way the majority treats the minority." Louis Riel's battle is not won.

An internationally known researcher and professor in the field of mathematics, Lawrence, is from Dalhousie which is the only university in the world which has a "mathematics" department.

Tingley denied that this was the reason for the decision of the Appointments Committee. Since no real reasons, have been given for Lawrence's dismissal, it is a large and possibly a large one.

A, B, mernoas out last April

by Chuck Moore & Ceci MacLean

Are marking schemes unlimited? Methods "A" and "B" of compiling marks do not exist. On April 17, 1970, the faculty of Arts and Sciences voted to abolish the system, used last academic year, says P...
