* **R** Save the Tiger (1973) *
 * Jack Lemmon portrays a bewildered middle- *
 * aged dress manufacturer driven to pimping *
 * for his customers, juggling the books, and *
 * scheming to commit arson for the insurance *
 * money, all in the name of the "Almighty *
 * buck." The blind terror he feels as his world *
 * collapses around him is a reflection of the *
 * malaise spawned by the apathy, cynicism *
 * and moral evasions of our Watergate era. *
 * "One of the best films ever to come out of *
 * Hollywood." *
 * Rex Reed *
 * Directed by John Avildsen. *
 * Jack Lemmon, Jack Gilford, Patricia Smith, *
 * Laurie Heineman. *
 * Paramount (C) 100 min. A. *
