Roads. \$800.00

The roads to be rebuilt and repaired are the
main road running east and west through the reserve, it
is about 9 miles long and it is used by all Indians and
also it is the main road to the P.O. and Fort Qu'Appelle.

It will be necessary to purchase a few culverts
but these can be bought locally when and if we need them
the price will be at \$70.00 per thousand feet, there are
many bad holes to be filled and also some regrading to
be done, at the Band meeting it was decided to pay
the following wages.

Manual labor	35¢ per hour
Man and 2 horses	50¢ " "
Man and 4 " "	70¢ " "

Time sheets will be kept and any lumber purchased
will be vouchered for.
