or a decline in every year but the last.

Secondly, if we leave out the advances to the C.N.R. and Canadian Government Merchant Marine, and take the total of ordinary, special and capital expenditures only, as these expenditures are given on p.44 of the Public Accounts for 1925, we have the following totals:-

1921	-	418,620,544.48
1922	-	365,701,790.85
1923	-	350,608,546.72
1924	-	344,021,786.75
1925	-	339,902,775.94
1926	-	342,890,000.00 (est.)

again a decline in every year but the last.

Finally, if we take only the ordinary consolidated fund expenditure (also given on p.44 of the Public Accounts for 1925), the figures are as follows:-
