Ottawa, January 30, 1928.

Dear Mr. McInnis:

I have your letter of the 27th. This is very interesting news and I can quite understand that it may well be just about the truth. I would suggest that at the first opportunity you have a talk yourself with Mr. Davidson and have Mr. Davidson feel the situation out with Mr. Knowles, after which he can write me the result. I will be only too happy to follow it up if Mr. Davidson thinks it worth while. Kindest regards and again many thanks.

Yours very truly,

Wm. McInnis, Esq.,  
3236 Smith St.,  
Regina, Sask.
