Toronto 'Varsity Class of '96 Intelligent But Unlucky

W. E. N. Sinclair, K.C., M.P.P., former Liberal leader in the Ontario legislature, recently referred to his old class of '96 of University of Toronto as having intellectual attributes, perhaps, but not being favored sons of the Goddess Luck. He spoke in a plea to the supporters of Hon. G. S. Henry, the premier, pointing out that Meighen was out; so was he—and all of the class of '96. Mr. Henry now faces the Conservative convention to formally confirm his appointment as the successor to former Premier Hon. G. H. Ferguson. Above are shown these three. Top, as they are today, and bottom, as reproduced from a class of '96 photograph by courtesy of W. R. Carr, McLean's publications, member of the class. (1) Hon. G. S. Henry and (4) as he was in '96; (2) Rt. Hon. Arthur Meighen and (5) as seen in the old class; (3) W. E. N. Sinclair and (6) in graduation days.—Rt. Hon. Arthur Meighen from sketch by Joshua Smith.
