

mission at that place have been settled, and which His Grace the Archbishop has signified his willingness to facilitate the Department obtaining possession of

With regard to the site for the School at High River, I have to refer you to the letter of even date on this subject.

I may add that the Appropriation voted by Parliament for the construction of the buildings has been transferred by Order of His Excellency in Council to the Department of Public Works for expenditure, as that Department is to be charged with the erection of the buildings, and no doubt will

communicate
