ics are saying it is the sweetest thing that Mr. Slush has done."

"Is it good?" said the lady. I began to realize that all customers asked this.

"A charming book," said the manager. "It's a love story—very simple and sweet, yet wonderfully charming. Indeed, the reviews say it's the most charming book of the month. My wife was reading it aloud only last night. She could hardly read for tears."

"I suppose it's quite a safe book, is it?" asked the widow.
