MONTREAL, October, 1878.

The publisher of this OLD, RELIABLE and STANDARD ALMANAC, with a view to meet the wants of his many patrons throughout Canada, has had the matter arranged so as to include the Provinces of Ontario, Quebec, New Brunswick and Nova Scotia. This has necessitated a slight departure from the old and familiar arrangement of the monthly pages. The *Weather Prophecies* and *Ecclesiastical Calendar*, will now be found at the foot of each month's solar and lunar calculations.
