Cash and Cash Items, \$72,289 55.

THIS COMPANY continues to grow in the public confidence. On 1st January, 1871, it had in force **31,528 POLICIES.**

Having, during the year 1870, issued the immense number of 12,319 Policies.

Intending insurers will note—
1st.—That this is the only Fire Mutual in Canada that has shown its ability to comply with the law of the Dominion, and deposit a portion of its surplus funds for the security of its members, \$25,000 having been so deposited.

2nd.—That being purely mutual, all the assets and profits belong solely to the members, and accumulate for their sole benefit, and are not paid away in the shape of dividends to shareholders as in the case of proprietary companies.

3rd.—That nothing more hazardous than farm property and isolated dwelling houses are insured by this Company, and that it has no Branch for the insurance of more dangerous property, nor has it any connection with any other company whatsoever.

4th.—That all honest losses are settled and paid for without any unnecessary delay.

5th.—The rates of this Company are as low as those of any well established Company, and lower than those of a great many.

6th.—That nearly four hundred thousand dollars have been distributed by this Company in satisfaction of losses to the farmers of Canada during the last ten years.

7th.—That the "Agricultural" has never made a second call on their members for payments on their premium notes.

8th.—Warriors patronize your own Canadian Company that has done good service amongst you.
