If not, what fun is there in driving? If you are a little nervous on wet roads you miss half the good of your car. You want chains, you ought to carry chains. Your safety, the car's safety, the safety of the people you meet on the road, demand it.

Then, have the chains that are easiest to attach—Dreadnaught chains with the Long-lever Fastener—with electric-welded and case-hardened links for strength—with rust-proof rim-chains.
