GOSSIP.

Mr. Wm. Wilson, Brampton, Ont., breeder of bacon type Berkshires, makes a change in his advertisement in which he offers young sows in farrow to imported boar at head of his herd, which won all championship prizes in class at Dominion Exhibition, 1904.

Hopkins, of the "Farmer's Advocate," Winnipeg; John Jackson, Abingdon, Ont. Swine—Prof. Grisdale, Ottawa; Thos. Teasdale, Concord, Ont.; Jas. Bray, Portage la Prairie, Man.; J. E. Brethour, Burford, Ont.

Maple Lodge Stock Farm, the home of Mr. A. W. Smith, whose P. O. is also Maple Lodge, is located about equal distance from Lucan and Ailsa Craig Stations on the main line of the G. T. R., between the Sarnia Tunnel and Toronto, and about one mile from Lucan Crossing, L. H. & B. R. The Shorthorn herd numbering about 60 head, is headed by two imported bulls, Knuckle Duster and Prince Golden. The latter, a twenty-months-old bull, is large, deep and evenly fleshed, got by the noted Golden Drop bull, Golden Thistle, and has for his dam the unbeaten show heifer, Forest Princess. Until quite recently, another choice imported bull was in the herd, viz., Sir Wilfrid. Nearly all the young things are either by Sir Wilfrid or Knuckle Duster. Among the young bulls now on hand is the choice quality, fifteen-months Roan Patrician, by Sir Wilfrid, dam Princess Jossie, who was also dam of the champion steer at Guelph Winter Fair, 1903. Count Cecil is a red about fifteen months old, by Knuckle Duster, and from a Campbell Cecelia dam that we are informed has a record of 60 lbs. of milk per day. This young bull has abundance of natural flesh, and should transmit the dairy qualities of his dam to his progeny. We also noticed a thick, red, fifteen-months-old bull of the Lovely tribe, a grandson of Knuckle Duster, and a twelve-months roan from a Campbell Fair Queen, and by Sir Wilfrid, and three others by the same sires and from Lavinia dams. They are grandsons of Roan Blanche, that was such a famous winner in the dairy tests at London and Guelph Winter Fairs, giving 54 lbs. milk, testing 4.2. 14th Princess Thule, the cow that stood high up in the dairy test at the Pan-American, has two good-quality daughters, by Knuckle Duster, as has also Ivy, the cow that won first in the dairy test at Guelph, 1902, giving 53 lbs. of 4.5 milk. They are also by Knuckle Duster, and from Lavinia dams. In addition to the families already referred to, there are Daisys, Constances, Rose of Sharons, Marr Missies, Cruickshank Mysies, Symes, and others. This herd has long been noted for their combined flesh and milk production. A few good, clean-boned Clyde mares are being kept, and are being bred to the best imported stallions procurable.

The flock of Leicester sheep now numbers 215 head, and a more uniform lot it would be difficult to find. The great stock ram, Stanley, that has sired most of Mr. Smith's winners at St. Louis, Chicago, Toronto, and other large shows, is looking well. This ram has never been shown since as a lamb. He won first at the Border Leicester Breeders' Club Show, Winchester (imp.), bred by Mr. Twentyman, is crossing well upon Stanley ewes. We noticed one ram lamb by him from a full sister of Stanley, that will be ready for a tussel next fall, if no misfortune happens to him; in fact, the lambs throughout are an extra good lot, heavier in the bone than the average Leicester.

FOR SALE: Boars and sows, all ages, from imported stock; also ram and ewe lambs, at reasonable prices. o **C. & J. CARRUTHERS,** Cobourg, Ont.

Suffered For A Number of Years From Dyspepsia.

That is what Mrs. Mary Parks, Cooper, Ont., says, and there are thousands of others who can say the same thing.

BURDOCK BLOOD BITTERS

cured her, and will cure anyone and everyone troubled with Dyspepsia. Mrs. Parks writes as follows:—

"I suffered for a number of years from Dyspepsia, and tried many remedies, but without any relief until, on the advice of a friend, I started to use Burdock Blood Bitters. After using one bottle I was pleased to find that I was relieved of the dreadful pains I suffered. I give all praise to B.B.B. for the benefit I have received, and I hope all sufferers from Dyspepsia will try this wonderful remedy. If they do I am sure that they will have the same experience that I have had."
