Northern Pacific Railroad. Rapid Progress of the Work!

The building of the Northern Pacific Railroad (begun July last) is being pushed forward with great energy from both extremities of the line. Several thousand men are employed in Minnesota and on the Pacific coast. The grade is nearly com-pleted 266 miles westward from Lake Superior; trains are running over 130 miles of finished road, and track-laying is rapidly progressing towards the eastern border of Dakota. Including its purchase of the St. Paul and Pacific Road, the Nothern Pacific Company now has 412 miles of scales. cific Company now has 413 m les of completed road and by September next this will be increased to at
