RINGBONE CURED! Augusta, Me., March 8th, 1880

Dear Sir: I have had occasion to use FELLOWS' LINIMENT on a horse so lame from a Ringbone that I could not use him. I have been using it about three weeks, and find it does all you claim for it, as the lameness is gone and the enlargement has almost disappeared. I firmly believe a few days more will make an entire cure. Respectfully yours, JAMES T. PARKER.

STAMMERING CERTIFICATE.

We, the undersigned, residents of North Sydney and vicinity, in Cape Breton, having known Miss Lawlor when afflicted with, and oftentimes pained to witness her struggling with that impediment, stammering, have now much pleasure in testifying, through this medium, that she has been relieved of the above referred to difficulty. She can now give utterance to her ideas, with a freedom of speech, once free, deliberate and apparently without effort.

We learn from her that she attended, last December, the Stammering Institute at Halifax—in charge of H. B. Mackintosh, Esq.—he having been empowered to use the method first known to, and practiced by Professor Sutherland, of London, Ont.

We heartily recommend those similarly afflicted, as Miss Lawlor, to avail themselves of the privilege of attending an institution calculated to render such valuable aid to both old and young.

GATES' ACADIAN LINIMENT

Is a well-known vegetable compound, possessing a well concentrated combination of soothing and healing virtues, and been extensively used throughout Nova Scotia for a number of years, and has proven itself to be one of the best articles in use for internal and external diseases.

Inflammations or Pains seated in any part of the body; Diarrhoea; Bites and Stings of Insects; Dysentery; Colds and Coughs; Chills; Toothache

For Diphtheria and Sore Throat it has particularly proved itself to be the best article in use, having saved the lives of numbers of children and adults, especially during the past two years, when it has been so prevalent.

It is equally effective for Quinsy, and for Sick Headache, Sprains, Rheumatism, Felons, Pleurisy, Etc.

Spinal disease or Affection of the Spine it should be used in connection with the Nerve Liniment.

It will cure a Horse's Cough; Cut and Wounds of every description, on man or beast, like magic; as well as all ailments for which Liniments are used. This preparation is recommended as a perfectly safe remedy, being entirely free from the opening ingredients so commonly found in popular Liniments which render the patient so liable to take cold, which they invariably do. For external use as a gargle it should be adulterated with water.

Sold every where at 25 cts. per bottle. Manufactured only by C. GATES, SON & Co., Middleton, N.S.

See certificate next month.
