T HOME. The New Methodist Church Opened.

Tremendous Gatherings, Brilliant Ser-mons and an Avalanche of Dollars.

An interesting page in the history of Methodism in Gorrie was reached when the doors of the fine new church were thrown open for public worship on Sunday morning last.

For several years past there had been tail of building, but last spring when the collectors faced the Trustee Board with subscriptions to the amount of \$8700 it was felt that the time to erect a new church had arrived, and a building committee composed of Messrs.
