CHRIST CHURCH.—The services in Christ Church continue to be conducted by the Rev. G. O. Troop, whose earnest and able discourses are much appreciated. It is probable that his lordship the Bishop of Huron will gratify the wist of the congregation by appointing at an early day the Rev. G. B. Taylor, of Wallaceburg, to the incumbency of the church.

burg, to the incumbency of the church.

We notice by the Toronto papers that a match manufacturing company, with a capital stock of \$105,500, has been formed in that enterprising city. The company have purchased Wallace's self-feeding and racking match making machine. It will be remembered that Listowel was once afforded an opportunity of securing this industry, and declined. Evidently Torontonians take more kindly to brimstone than do the people of this town.

In addition to the usual amount of information about floriculture and horticulture, Mr. Vick gives a very interesting description o many of the principal summer resorts of American and Canadian tourists. Garden Paury.—The garden party at the residence of Mr. John Mackenzie on Monday evening was a very enjoyable and well attended ather. The grounds were gaily illuminated with Chinese insterns, etc. The presence of the Town Band, who kindly gave their services free, lent additional attraction to the pleasant gathering. About \$21 were realized for Knox Church aid fund. The next garden party will be held at the residence of Mr. Wm. Forbes, Main street east, on Monday evening next. Admission 10 cents. All are cordially invited.

we notice that some of those towns that have prospered during the last decade are inclined to be boastful over their progress. While we rejoice at their prosperity, we challenge any town in Canada to exhibit as good a record as Listowel, which hen years ago was a mere village of 976 inhabitants, and now is a thriving town, with a population of 2,684. An increase of nearly 390 per cent, within the last decade is something which our citizens may justly fe I proud of, as it places Listowel at the head of the list of the prosperous towns of Canada.
