

Beautiful new designs in Silverware

This week we are showing some new designs in silverware. They are very handsome examples of the silversmith's art. We would like to show them to you.

Even though you have no intention of buying we are sure it would be worth your while to see them. Call in to-day.

Dominion Government Sheep Extension Car

The Truro News says:—The Federal Government's Department of Agricultural Sheep-Extension Car, Ottawa, which is being sent through this Province, was at Truro on the 29th, for a few hours, en route to Antigonish and other points East. The car contained four classes of pure bred male sheep, Shropshire, Cheviot, Hampshire. Down and Horned Dorset, considered well adapted to the climate conditions of Nova Scotia.

Specimens of wool and products were also exhibited and their commercial values set forth by Mr. J. Telfer, who was in charge of this government Car.

This car will be at Kentville on June 16th, 1913, of which announcement will be found elsewhere in this paper.
