

"Royal Household" is in a class by itself.

Flour that gives half nourishment and double work to digest is not good flour.

Cheap and inferior flour gives the digestive organs double work and half pay—inferior flours contain indigestible waste—

this waste must first be overcome by nature,—that means extra digestive work.

Indigestibles destroy the nutriment of flour, therefore poor flour gives more work and less nutriment to the system.

Royal Household Flour is in a class by itself—it is the only really pure flour—and it is pure because it is purified and sterilized by electricity.—it is the most easily digested and most nourishing because it is absolutely pure.

The moment a woman puts her hands into "Royal Household" she knows it is a finer flour than she ever used before.

R. Kerr on Thanksgiving day picked several bunches of black raspberries, the second crop of 1905. He also measured a stalk of a black berry which measures eighteen feet three inches, the growth of this season.

GLEN BUELL

All the farmers are wearing a smile at the handsome figure which was offered for cheese on the board last Saturday.

Mr. Wm. Robins delivered an excellent address from the pulpit here last Sunday evening, delighting all who heard him.

On Oct. 31st a party of some thirty young people drove from Brockville to the home of Mr. and Mrs. Eri Hayes, where they had been invited to spend an enjoyable evening. At an early hour the guests arrived and for a time all thought of care was cast aside and every one went in for a good time.

Swiftly the happy hours flew by, and not until an early morning hour was a thought of home allowed to intrude itself. Surprised at the lateness of the hour, they immediately prepared for departure and notified their driver of the large band wagon in which they had all arrived of their intended departure.

Wraps were soon donned and the horses brought to the door, but alas!—they found on examination their faithful night watch, who had been placed on duty, fast asleep and that a party of guests had assembled for fun—king outside as well as in. Being Halloween night, these practical jokers had seen fit to remove a wheel from the large wagon and stow it safely away.

The watch was rudely awakened from his blissful dream, but so overcome was he with slumber and weariness that all the response that could be extracted from him as to the whereabouts of the missing wheel was, "wheels in your head". Search parties were immediately organized, but diligent search failed to bring to light the missing wheel. Then it was that the stern realities of the morrow began to loom up, and the search was continued with renewed vigour. All night long the weary company searched the hills and meadows and not until the rising sun was midway in the heavens were they rewarded by finding the truant wheel some two miles on its way home, it having taken a short cut to town and become lost in a vast swamp.

Preparations for home were again resumed, and after a hearty hand-shake with their kind host and hostess, who had assisted them in their search, they embarked for the homeward voyage, laughing heartily at the Irish joke which had been played at their expense, and without a malicious thought of those who had caused them so much inconvenience. As the rapidly moving wagon rolled toward home, their many voices blended in sonorous chorus of the well known refrain "Home Sweet Home."

Dr. Hugo's Health Tablets for Women

They are the prescription of a specialist.

This is an age of specialists—men who give all their time, study, and practice to some particular branch of medicine. There are specialists of the eye, specialists in diseases of the lungs, specialists in diseases of women. It costs something to get a prescription from a specialist, but it is worth all it costs, when you get it.

Dr. Hugo's Health Tablets for Women are the prescription of Dr. Hugo, of Paris, a specialist of forty years' experience in diseases of women.

It embraces the latest medical discoveries of the most skilled physicians in the world. It might be called a compound prescription of the world's best specialists.

No ordinary physician can prescribe such a remedy. The better the physician, the nearer will be his prescription to that of Dr. Hugo.

Thousands of women in Europe have paid \$50 for a consultation with Dr. Hugo and got the same remedy. Considering the benefit they received from it, it was worth \$50, but it costs women now only 50c. for six dozen tablets—enough for an extended treatment.

It is a compound remedy containing all the tonics and alteratives that any woman can need, no matter what her condition. For women suffering from a run-down condition, or any weakness peculiar to her sex, it is now acknowledged to be beyond doubt or question the best remedy available to-day. It makes healthy women.

The "Haw-Haw"

Last Tuesday two young men were seen on a street corner, in Brockville, observing each others clothes very closely. They went through different motions and gestures—all at once, the larger of the two gave the other fellow the "Haw-Haw." They had each new suits on, the one a local tailor make, the other a Semi-ready—the "Haw-Haw" was given because the local tailor-made suit had not the right shoulder or that full appearance that is so desirable in up-to-date garments.

That "Haw-Haw" is given to the other fellow by every young man that wears Semi-ready—all over the world. Semi-ready is the thoroughbred Canadian suit.

The following "Specials" are for this and next week only:—

Knee Pants, worth 50c to 75c for 25c

8 doz. Boys' Knee Pants made of strong Canadian tweed, in dark patterns and plain colors, lined with good quality of cotton, sizes from 22 to 32, regular 50c and 75c values—while they last, 25c.

Boys' 3-piece Suits, worth \$4.00 to \$5.00 for \$2.90

48 only Boys' 3-piece Suits in dark and medium colorings, made of splendid heavy tweeds, Italian lining, sizes from 28 to 33, regular \$4.00 to \$5.00 suits, while they last, for \$2.90.

Men's Tweed Suits, regular \$14.00 for \$9.75

42 Men's Tweed Suits, made of Bannockburn twist tweed, in dark and light mixed plaids, Italian lining, cut the very latest, in double or single breasted sack, sizes from 34 to 44, regular \$14.00 suits, for \$9.75 while they last.

Men's Black Beaver Overcoat, \$15.00 for \$10.00

17 only Men's Black Auburn Beaver Overcoats in double or single-breasted style, good Italian lining, silk velvet collar, long coat with loose back and the large shoulder, sizes from 34 to 44—our regular \$15.00 coat for \$10.00 while they last.

If you take advantage of these specials, you will be able to give some one the "Haw-Haw."

Tell them always that we pay fare the one way if they purchase \$10.00.

It is certainly a misfortune that we cannot show quality on paper.

ARMOUR CLAD PSYCHINE

HAS TRIUMPHED OVER AND VANQUISHED CONSUMPTION

Had Galloping Consumption Twelve Years Ago—Lives To-day Through Using Psychine.

"It is twelve years ago since Psychine cured me of galloping consumption. I caught the cold working as fireman on the C.P.R. The doctors said there was no hope for me. I had Night Sweats, Chills and Fevers, and frequently coughed pieces of my lungs. I was fast sinking away. Was advised to try Psychine and two months treatment put me right on my feet again. Have had no return of lung trouble since Psychine saved me. To-day I work on my farm near here. I am six feet tall and weigh over 175 pounds. Use my testimonial and photo if you so desire."
