GENERAL SPORTS.

What is Going on in Baseball and Other Athletic Games.

News, Local and Telegraphic, Gathered From Reliable Sources.

Grand Rapids and Port Huron did not play; rain.

Toronto Telegram:—"That this is the growing season is demonstrated by the fact that it is coming near to July 1st and the International Base Ball League is still intact. Not one team has yet thrown up the sponge, and as near as we can hear no one is squealing. This is an unprecedented record for a league that early in the season always has numerous clubs, but towards fall usually simmers down to Hamilton and London."

The Indiana State League has gone to the wall, and will be reorganized with four clubs.

A CLOSE CONTEST.

Yesterday visitors to the athletic grounds saw one of the best ball games ever witnessed in this city. It was always close enough to be exciting, with sufficient hitting and base-running to hold the interest and, best of all, the right club won. Habel pitched grandly. He did his best work at critical times and once, with second and third occupied, struck out Hemphill and Hart in succession. Kostal also pitched well and earned two runs for his team by a three-bagger in the second inning.

The work of Umpire McKeever on balls and strikes yesterday looked very much off color, and that official will have to don his specs to hold the high opinion of his work which had previously been formed. Score:—

HAMILTON WINS A GAME.

Hamilton, June 13.—Saginaw and Hamilton played one of the sharpest, cleanest and fastest games of the season here to-day. Freeman kept the five hits made off him scattered, and got much support. Hamilton got hits generally in twos, but Miller was also effective. There were three outs at the plate. Score:—

THE B. C. CRISIS.

Lieut.-Governor McInnes Must be Dismissed or Resign.

Victoria, B. C., June 14.—The political situation is unchanged. The air is full of rumors as to what the Lieut.-Governor and Mr. Martin will do, but all are without foundation. Robert Beaven, one of the best constitutional authorities in Canada, argues, in a published interview, that Lieut.-Gov. McInnes must resign or be dismissed.

A SAMPLE OF WHAT SATISFACTION A GAS RANGE GIVES.

P. S. Coats, Esq., Mgr. Chatham Gas Co.

Dear Sir,—

Having used a gas range for the past two years, I am in a position to state that for economy, speed, either one, or the whole of the above and cleanliness, it exceeds all other means of cooking. Anyone desiring very essential features of housekeeping, should not hesitate in the use of one without delay.

Yours,
(Sgd.) WILLIAM BLIGHT.
