This Company insures only Insured Property, and is subject to not more than Two Thousand Dollars in any Risk.
This Company Effects Insurance as follows:
1st.—On the PREMIUM NOTE PRINCIPLE, that is, a small payment each year. In this branch for the past 15 years, a trifle more than one-half the notes have been sufficient to defray the expenses and pay the losses.
2nd.—On the SHORT DATE NOTE PRINCIPLE, that is, the amount to be paid in full at any time within six months at the option of the Applicant.
3rd.—On the CASH PRINCIPLE, that is, all claims are paid on the spot.

By the two latter methods the applicant knows at once the amount to be paid, and the Premium Note Principle, the applicant is liable only for the amount of the Note and the good fortune of the Company tends to lighten his payments.

CHARLES C. CARLILE, Esq., President, has been appointed General Agent for the Maritime Provinces, through whom we hope to secure a fair share of the Insurance patronage.
