Infringements and all matters relating  
to Patents, promptly attended to. We  
make preliminary examinations and fur-  
nish opinions as to patentability, free of  
charge and all who are interested in  
new inventions and Patents are invited  
to send to us a copy of our "Guide for  
obtaining Patents," which is sent free  
to any address, and contains complete  
instructions how to obtain Patents,  
and other valuable matter. During the  
past five years we have obtained nearly  
three thousand Patents for American  
and Foreign inventors, and can give  
satisfactory references in almost every  
country in the Union.

ternal arrangements are simple, suitable  
and convenient. For sale by  
May 6, 1880 JAS S. NEILL.

**THOMPSON'S MILLS  
NASHWAAKSIS.**  
THE Undersigned having for more  
than ten years painted for McFar-  
lane, Douglas, has now put up a shop  
at the above place, and is prepared to  
Repair and Paint Carriages  
of every description at the shortest  
notice, good work, moderate charges  
and honored the dead, thou  
hast lived to merit our hate and ex-  
ecration—lived to unite thyself  
with the vile tyrant who murdered  
thy nearest and dearest—who shed  
the blood of infancy, rather than a  
male of the noble house of Torquil  
Wolfgang should survive—with  
him hast thou lived to unite thyself  
and in the bands of lawless love!  
"Wretched woman!" exclaimed  
Cedric, "And while the friends of thy  
father—while each true Saxon  
heart, as it breathed a requiem for  
his soul, and those of his valiant  
sons, forgot not in their prayers the  
murdered Ulrica—while all mourn-  
ed and honored the dead, thou  
hast lived to merit our hate and ex-  
ecration—lived to unite thyself  
with the vile tyrant who murdered  
thy nearest and dearest—who shed  
the blood of infancy, rather than a  
male of the noble house of Torquil  
Wolfgang should survive—with  
him hast thou lived to unite thyself  
and in the bands of lawless love!"  
"In lawless bands, indeed, but  
not in those of love!" answered the  
lady: "love will sooner visit the re-  
gions of eternal doom, than those  
unhallowed vaults. No, with the  
least I cannot reproach myself—  
hated to Front-de-Bœuf and his  
race governed my soul most deep-  
ly, even in the hour of his guilty  
endeavors."  
"You hated him, and yet you  
lived," replied Cedric; "wretch! was  
there no poniard—no knife—no  
bodkin!—Well was it for thee,  
since thou didst prize such an ex-  
istence, that the secrets of a Nor-  
man castle are like those of the  
grave. For had I but dreamed of  
the daughter of Torquil living in  
foul communion with the murderer  
of her father, the sword of a true  
Saxon had found thee out even in  
the arms of thy paramour!"  
"Wouldst thou indeed have done  
this injustice to the name of Ulrica,"  
replied Cedric, in a tone of grief mixed  
with abhorrence "these traces  
form such a resemblance as arises  
from the grave of the dead, when a  
fiend has animated the lifeless  
corpses!"  
"Be it so," answered Ulrica; "yet  
were these fiendish features the  
mask of a spirit of light when they  
were able to set at variance the  
elder Front-de-Bœuf and his [son  
Reginald! The darkness of hell  
should hide what followed, but re-  
venge must lift the veil, and dark-  
ly intimate what it would raise the  
dead to speak aloud. Long had  
the smoldering fire of discord glowed  
between the tyrant father and his  
savage son—long had I nursed, in  
secret, the unnatural hatred—it  
blazed forth in an hour of drunken  
wallow, and at his own board fell  
my oppressor by the hand of his  
own son; such are the secrets these  
vaults conceal! Rend asunder, ye  
accursed arches; shed abroad, look-  
ing up toward the roof, and bury  
in your fall all who are conscious of  
the hidden mystery!"  
"And thou, creature of guilt and  
misery," said Cedric, "what became  
thy lot on the death of thy ravisher?"

IV ANHOE.  
(BY SIR WALTER SCOTT, BART.)  
CHAPTER XXVII.  
[CONTINUED]

"Thou the daughter of Torquil  
Wolfgang!" said Cedric, receding  
as he spoke; "thou—thou—the  
daughter of that noble Saxon, my  
father's friend and companion in  
arms!"  
"Thy father's friend!" echoed Ur-  
fried; "then Cedric called the  
Saxon stands before me, for the  
noble Hereward of Rotherwood,  
had but one son, whose name is  
well known among his country-  
men. But if thou art Cedric of  
Rotherwood, why this religious  
dress? hast thou too despaired of  
saving thy country, and sought re-  
fuge from oppression in the shade  
of the convent?"

"It matters not who I am," said  
Cedric; "proceed, unhappy woman  
with thy tale of horror add guilt!  
Guilt there must be—there is guilt  
even in thy living to tell it!"  
"There is—there is," answered  
the wretched woman, "deep, black  
darning guilt—guilt, that lies like  
a load at my breast guilt, that all  
the penitential fires of hereafter  
cannot cleanse. Yes in these halls  
stained with the noble and pure  
blood of my father and my breth-  
ren in these very hills, to have  
lived the paramour of their mur-  
derer, the slave at once and the  
partaker of his pleasures, was to  
render every breath which I drew  
of vital air, a crime and a curse."

"Wretched woman!" exclaimed  
Cedric, "And while the friends of thy  
father—while each true Saxon  
heart, as it breathed a requiem for  
his soul, and those of his valiant  
sons, forgot not in their prayers the  
murdered Ulrica—while all mourn-  
ed and honored the dead, thou  
hast lived to merit our hate and ex-  
ecration—lived to unite thyself  
with the vile tyrant who murdered  
thy nearest and dearest—who shed  
the blood of infancy, rather than a  
male of the noble house of Torquil  
Wolfgang should survive—with  
him hast thou lived to unite thyself  
and in the bands of lawless love!"  
"In lawless bands, indeed, but  
not in those of love!" answered the  
lady: "love will sooner visit the re-  
gions of eternal doom, than those  
unhallowed vaults. No, with the  
least I cannot reproach myself—  
hated to Front-de-Bœuf and his  
race governed my soul most deep-  
ly, even in the hour of his guilty  
endeavors."  
"You hated him, and yet you  
lived," replied Cedric; "wretch! was  
there no poniard—no knife—no  
bodkin!—Well was it for thee,  
since thou didst prize such an ex-  
istence, that the secrets of a Nor-  
man castle are like those of the  
grave. For had I but dreamed of  
the daughter of Torquil living in  
foul communion with the murderer  
of her father, the sword of a true  
Saxon had found thee out even in  
the arms of thy paramour!"  
"Wouldst thou indeed have done  
this injustice to the name of Ulrica,"  
replied Cedric, in a tone of grief mixed  
with abhorrence "these traces  
form such a resemblance as arises  
from the grave of the dead, when a  
fiend has animated the lifeless  
corpses!"  
"Be it so," answered Ulrica; "yet  
were these fiendish features the  
mask of a spirit of light when they  
were able to set at variance the  
elder Front-de-Bœuf and his [son  
Reginald! The darkness of hell  
should hide what followed, but re-  
venge must lift the veil, and dark-  
ly intimate what it would raise the  
dead to speak aloud. Long had  
the smoldering fire of discord glowed  
between the tyrant father and his  
savage son—long had I nursed, in  
secret, the unnatural hatred—it  
blazed forth in an hour of drunken  
wallow, and at his own board fell  
my oppressor by the hand of his  
own son; such are the secrets these  
vaults conceal! Rend asunder, ye  
accursed arches; shed abroad, look-  
ing up toward the roof, and bury  
in your fall all who are conscious of  
the hidden mystery!"  
"And thou, creature of guilt and  
misery," said Cedric, "what became  
thy lot on the death of thy ravisher?"
