

STRONGLY ADVISES

"FRUIT-A-TIVES"

Because They Cured Him, And They Will Cure You

WALKERTON, ONT., MAY 9th, 1911. "I have been in Walkerton in business for a good many years and many of my townsmen know that my health, for long periods was precarious. My trouble was extreme Nervousness, brought on by indigestion and Dyspepsia, from which I suffered in the most severe form. It was so bad that I could not sleep before about four in the morning. I noticed one of your published testimonials of how someone had used 'Fruit-a-tives' for similar trouble and asked Mr. Hunter, my druggist, his opinion on the matter and he advised their use. I immediately procured several boxes and am pleased to say that I now enjoy splendid health and could not possibly feel better. I can eat with every degree of satisfaction and sleep without an effort. I strongly advise anyone suffering from like complaints, to commence using 'Fruit-a-tives'. ALEX. McCARTER. 50c. a box, 6 for \$2.50—trial size, 25c. At dealers or from Fruit-a-tives Limited, Ottawa.

Two cases of theft are reported which show the depth some people can stoop to. One case is that of a man who has been working at the bridge during the summer, and who left, for parts unknown one day last week, taking with him what sums of money he could borrow from his friends, besides clothing. Another case is of a young man, who has been working in town during the summer, leaving suddenly with a new overcoat belonging to a Newcastle young man.

ANXIOUS TIMES FOR PARENTS

Children Often Seem Pining Away and Ordinary Medicine Does Not Help Them

The health of children between the ages of twelve and eighteen years, particularly in the case of girls, is a source of serious worry to nearly every mother. The growth and development takes so much of their strength that in many cases they actually seem to be going into a decline. The appetite is rickety, brightness gives way to depression, there are often serious headaches, fits of dizziness, or occasional fainting and a complaint of weariness at the slightest exertion. Ordinary medicines will not bring relief. The blood has become thin and watery, and the child must have something that will bring the blood back to its normal condition. At this stage no other medicine can equal Dr. Williams' Pink Pills. Their whole mission is to make new blood, which reaches every part of the body, bringing back health, strength and energy. Mrs. James Harris, Port Rowan, Ont., says: "At the age of thirteen my daughter began to look very pale, and seemed listless and always tired. She did not take interest in her school work or in those amusements of girlhood. In fact she just seemed to drag herself about, complaining of always being tired, did not eat well, and did not sleep well at night. I took her to our doctor who said she was anemic, and advised me to give her Dr. Williams' Pink Pills. She took the Pills for nearly two months, when she was as well and lively as any girl could be gained nicely in weight, and has since enjoyed perfect health. I am quite sure that what the Pills did for my daughter they will do for other pale, weak girls. I have also used Dr. Williams' Pink Pills myself with the best results and can only speak of them in terms of great praise."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The marriage will shortly take place of Cyril Kingston Floyd, second son of the Rev. A. P. Andrews, rector of St. Andrew's, Isle of Wight, to Gertrude Mary, second daughter of Sir William and Lady MacKenzie of Toronto.

Hon. C. J. Doherty, Minister of Justice, denies the rumor that he is to resign and succeed Sir Charles Fitzpatrick as Chief Justice. A bit of villainy that has been going on lately has just been brought to the attention of the proper authorities, and if those responsible can be apprehended, the law will deal justly with them. When Chas. McGowan took the mail from the mail box at Hennessy's corner on Tuesday of last week he found the contents of the box partly burned, where either a lighted match had been put in the box or a piece of burned paper had been inserted causing the damage to the inside mail. Bits of sticks and stones, and it is stated a dead mouse, were also taken out of the box. In another box in town a piece of bologna was found. The matter was at once reported to Postmaster Troy, who reported same to the Postoffice Inspector, and an investigation will follow.

Our

Job Printing Department

There is a difference between plain Job Printing and the kind of Printing that draws business. At one time any kind of a printed letter-head or envelope would do so long as the work was done by a printer. Good paper and high priced ink, the customer did not know enough about to be fussy. It is not so now. The customer today figures these items into his contract for printing the same as he does the quality of the goods he purchases to carry on his business.

This is the class of customers who have their printing done at The Advocate Job Dept. Only the best lines of writing paper are kept in stock and the highest grade of inks used for all work. There is not a CHEAP line in our office, for experience has taught us to carry only the best and the most serviceable.

People who leave their order for printing with this office, have that inward feeling of assurance that they are going to get just the kind of a job they want. They do not speculate—they know, and they are never disappointed. We spare no pains to give our customers just what they want, and that is one reason why this office has gained the reputation it has for turning out the highest class of Job Printing only.

If you are not yet a customer, join our list and have your letter heads and envelopes, or whatever nature your work may be, printed in an artistic manner. It does not cost any more for good printing than it does for the cheaper kind, and a small order is given as good care as a large one.

We are now in a position to handle all kinds of

CATALOGUE PRINTING

and would be pleased to quote prices for this class of work at any time. We guarantee strict satisfaction in all cases.

Remember that this office is in better shape to handle your Printing than it has ever been before, due to the fact that only competent printers are employed and the most modern machinery used.
