and Pike exist in peace. Of course you may have influence over the Mose quito, we do not doubt that, but you ought not tell that to every person you meet, Probably you have influence over the Telegraph Office too as it is commonly reported that you were taking lessons from the suboperator on Thursday evening. But for your own sake do not tamper with the wings of the Wasp. Speaking of the wasp Goldsmith says:- "Of ail other insects the wasp is the most fierce, voracious, and most dangerous 5th July, calling at Harbon Grace, thence when enraged." -Com.
