

LANCASHIRE ACCIDENT AT LYNDEN.
—Mr. James Doty, of Campbellford, Ont., met with an accident at Lynden on Saturday evening last, which terminated fatally on Monday. He attempted to board a train while in motion, missed his hold and fell underneath. He was going to the western States with his family and stock. He leaves a wife and ten children to mourn his loss.

Neuralgia, or Tic-Doloureux, is one of the most painful affections to which the human family is subject. It more commonly occurs in the nerves of the face, though it is met with in different parts of the head, in the breast, hip-joint, and in other parts of the body and limbs. Its attack is usually sudden, and the paroxysm of pain varies in its duration. The pain is agonizing, lancinating, and shooting along the nerves like a shock of electricity, frequently feeling as if red-hot wire were thrust into the parts, and after the pain passes away, a numbness remains for a while. At these times, instead of attacking suddenly, it commences with a slight heat, or sense of itching or numbness, which augments in severity more or less rapidly. The pain increases from time to time, until it becomes almost unbearable. Dr. J. Briggs' Alternative is a positive remedy. Sold by E. Harvey & Co., and all druggists and country merchants generally. Dr. J. Briggs & Co., proprietors, 208 Broadway, N.Y., and No. 6, King-st. west, Toronto.

COMMERCIAL.
Guelph Markets.
MERCURY OFFICE, GUELPH.
July 14, 1869.

Receipts on the market continue light, but wheat has advanced very considerably. It is now quoted at \$1.04, which is a decrease of four cents since Monday. Butter is firmer, and wool is a little easier. Hay keeps steady, although there is a considerable difference between the lowest and the highest price paid.

IRON IN THE BLOOD.
The necessity of a due proportion of iron in the blood is well known to all medical men; when it is deficient from any cause whatever, the system suffers, the weakest point being attacked, and a feeling of languor, lassitude, and "all goodness" pervades the system. Stimulents afford temporary relief, and have the effect of giving a tired horse the whip instead of the carrot. The true remedy is to supply the system with the necessary quantity of iron. This is done by using the

PERUVIAN SYRUP.
This solution of the protochloride of iron, is prepared at one of our establishments, giving strength, vigor and new blood to the system.

Medicines to cure diseases occasioned by deficiency of iron in the blood, without restoring the system, is like trying to repair a building on a shaky foundation.

"I have been using your Peruvian Syrup for some time past—it gives me the buoyancy of spirits, elasticity of the system, and healthful vitality."—

Containing certificates of cures, and from some of the most eminent physicians and others, will be sent on application.

PERUVIAN SYRUP blown in glass bottles.
