THERE ARE SO MANY cough medicines in the market, that it is sometimes difficult to tell which to buy; but if we had a cough, cold or any affliction of the throat or lungs, we would try Bickie's Anti-Consumptive Syrup. Those who have used it think it is far ahead of all other preparations recommended for such complaints. The little folks like it as it is as pleasant as syrup.

IT IS A LIVER PILL.—Many of the ailments that man has to contend with have their origin in a disordered liver, which is a delicate organ, peculiarly susceptible to the disturbances that come from irregular habits or lack of care in eating and drinking. This accounts for the great many liver regulators now pressed on the attention of sufferers. Of these there is none superior to Parnelee's Vegetable Pills. Their operation though gentle is effective, and the most delicate can use them.

PROVINCIAL FAT STOCK SHOW.

Guelph, Ont., Dec. 12.—The winter fat stock show is now well under way. The dairy class is somewhat smaller than that of last year, but in beef cattle it is certain that never were so many fine cattle ever seen in a show ring. In sheep and hogs the exhibit is also very fine, and the poultry show is marvellous.

COMPLETING ARRANGEMENTS

For the Reception to the Returning Soldiers.

Awarded Contract for Watches—Arrangements for Parade—Proposed Monument.

The reception committee's meeting, which was held last night, was attended by Ald. Brenner, who presided, Ald. Stevenson, Winnett, Gerry, Barnard, Pritchard, Ross, Jenkins, Dreaney, Winger, Cooper, Wray, Bartlett, Jolly, Mayor Rymall, E. J. Macpherson (secretary), Capt. Smith, ex-Ald. Wilkey, Col. Stacey, P. Birwistle, ex-Mayor Wilson, ex-Ald. Reed, ex-Ald. Bennett, and J. M. Wardell. Mr. Birwistle was successful in winning five close tenders for the watches that will be given to the city's soldiers. He will supply 14-karat solid gold, hunting-case, Waltham watches, retail for about \$50, to the 64 or 65 citizens who return from Africa. It was suggested that something should be done for those who died during the campaign, and Mayor Rymall and ex-Ald. Wilkey earnestly advocated the erection of a monument in Victoria Park. His worship said that the citizens of London should begin at once to collect funds with which to build a monument that would commemorate these men for all time to come. These sentiments were warmly endorsed by Mr. Wilkey. There is already a nucleus of such a fund collected by an endless chain that had begun when something over \$1,200 was realized. The soldiers will detain in the East End, to be escorted along a route laid out by Lieut.-Col. Holmes, D. O. C., Ald. Douglas, to the city hall, where the Soldiers' Wives' League will provide a luncheon. The committee will ride in carriages. The county council will be invited to participate in the reception.
