DETACHMENT OF 71ST ORDERED TO FRANCE; WOODSTOCKERS IN IT

Lieut. Fred Hall Sends Cable to Father That Boys Are on Their Way.

[Special to The Advertiser.]

WOODSTOCK, Aug. 10. — John Hall, of this city, today received a cablegram from his son, Lieut. Fred Hall, who went to England with the 71st Battalion. Lieut. Hall states that he and a number of officers and men formerly of the 71st were leaving today for France.

Most of the men in Lieut. Hall's company when he left here were from Woodstock, and much interest has been aroused by the cable. They were drafted into the 44th Battalion some time ago.

EIGHT STRATFORD MEN TO GO IN BATTERY DRAFT

STRATFORD, Aug. 10. — Stratford will be represented by eight men in the draft from the 64th Battery, which will soon leave for overseas.

There are over twenty local men in this unit.

Those who are going overseas are: Gunners T. J. O'Connell, Geo. Campbell, Jack Hayes, Murray Steele, Alf Cox, Fred Taylor, Sam Polley, Will Williams.

ST. THOMAS SERGEANT MADE DRILL INSTRUCTOR

[Special to The Advertiser.]

ST. THOMAS, Aug. 11. — Sergt. Harry Stevens, who left here with the 91st Battalion, has passed an examination in musketry drill, and has been appointe" a drill instructor. He will be permanently in England. Sergt. Stevens was, at the time of enlisting, storekeeper at the Wabash Railway here.

RECRUITER IN HOSPITAL; CHOKED BY OAT HULL

[Special to The Advertiser.]

BRANTFORD, Aug. 10.—Corp. Wilson of the 215th Battalion, left behind for recruiting purposes, is in the hospital, having got an oat hull in his throat while eating. Unable to dislodge the hull, inflammation set in, and an operation had to be performed.

Another recruit has been signed up since the battalion left. A small squad has been left behind for recruiting purposes, and they will at once inaugurate an aggressive campaign to get more men to the battalion at camp.

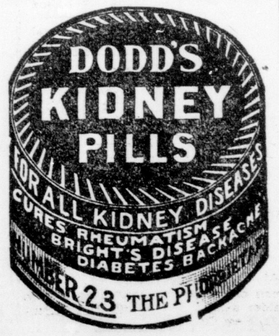
AMHERSTBURG BOY GOES TO NAVAL SERVICE

[Special to The Advertiser.]

WINDSOR, Aug. 10.—Windsor will lose one of its most popular young men when Lieut. J. E. McQueen, who has been in charge of recruiting for several battalions here will leave for Montreal, from where he will sail for England. He has received a commission in the Royal Naval Motor Patrol Auxiliary Service.

The young officer is well qualified holding papers as a lake passenger captain.

He came to Windsor from Amherstburg May 4, this year. Since that time he has obtained about 390 recruits, the Royal Canadian Dragoons, the Royal Mounted Rifles, the Army Medical Corps and the horse artillery. Although he joined as a private in September, McQueen was soon appointed a lieutenant. Since that time he has been assisting Major T. B. Balfour of Amherstburg. Lieut. McQueen is the son of Capt. J. S. McQueen of Amherstburg.



BRITAIN ASKS THAT EXTRA LIEUTENANTS BE SENT OVERSEAS

Fifty-Seven To Go From Camp Borden.

OPPORTUNITY WELCOMED

May Enable Lieut.-Col. Robson to Take One or Two.

[Special to The Advertiser.]

CAMP BORDEN, Aug. 10.—Permission has been given headquarters to send fifty-seven supernumerary officers from the division overseas. The supernumeraries came to camp for summer training only and understood that their only chance of going overseas would be by showing exceptional ability and replacing other officers. The shortage of junior officers at the front has resulted in a request for some from Canada. It is possible that Lieut.-Col. Robson may be able to take with him one or two of the officers who intended to resign their commissions because of the reduction of the establishment of officers.

Some Hard Luck.

Lieut. Robert S. Rudkin, 110th Battalion, today resigned his commission. His eyesight has become so weak that it is only with difficulty that he can see across a parade ground. In another way Lieut. Rudkin will suffer through his patriotism. He was a member of the first contingent and invalided to Canada with defective eyes, which were caused by shrapnel. His condition improved and he was accepted for service again in the 110th Battalion. On re-enlistment he was found to be physically fit and he renounced his rights to a pension. Now he is classed as a soldier who has not seen service and is not entitled to his former pension.

Two Men Sentenced.

Corp. John O'Mears of the 186th Battalion was tried by district court-martial on charges of conduct which was prejudicial to good order and military discipline and has been sentenced to 144 days' imprisonment without hard labor. Pte. Camiel Wyseur, also of the same battalion, on a charge of using threatening language to a superior officer, was sentenced to six months. Ten trials are scheduled for the next three days.

The discipline here is not what the officers think it should be. They intend to impress upon the men that discipline is necessary.

Lieut. F. E. Johnson and Capt. J. M. Warner of the 168th Battalion have been granted a three days' leave of absence.

Lieuts. W. M. Coghill and Fred I. Grobb, both of the 125th Battalion, Brantford, are by today's orders become captains.

Scout Officers.

Lieuts. H. A. Mowatt 118th, W. E. Campbell 135th, J. O. Malloy 142nd, R. O. Swift 149th, R. T. McLean 161st, H. B. Johnson 168th, A. Gillies 186th, are now qualified to act as the scout officers of their battalions. Lieut. L. Lott, 149th and Lieut. G. C. Langford, 186th, are appointed brigade bombing officers. Some damage was done to railroad property on Sunday night. All battalions of the Eighth Brigade will be asked by headquarters to make it good. The 110th Battalion intends to protest against the manner in which headquarters has decided the matter.

The transport presented to the 142nd Battalion by the Lord Roberts Chapter, I. O. D. E. and Ladies' Auxiliary of the regiment, was used for the first time today. The regiment spent the day in manoeuvres. It has already proved to be a valuable acquisition to the equipment of the battalion.

Work and Play.

The Eighth Brigade spent the morning at the ranges and the afternoon in watching the football match to decide the championship of the brigade, which ended in a tie, and in lectures on discipline. In the evening a vaudeville concert of an amateur nature was given within the lines. Brigadier Lieut.-Col. Wigle is a strong supporter of play as well as work.

The lacrosse team of the 147th tonight defeated the team of the 180th for the brigade championship by the score of 16—1. The game was played at the stadium before a crowd of several thousand. The 147th team was McLean, Tindale, Mercer, Saunders, Armstrong, Young, Wilson, Saunders, Oliver, Adams and Jacksch.

SENT TO ENGLAND

Capt. Max McEvoy Unable to Return to Duty as Was Expected.

Cablegrams received by J. M. McEvoy, barrister, from his son, Capt. Max McEvoy, late of the 33rd, indicate that the young London officer was wounded more severely than was at first anticipated. The first word of his being in the casualty list was received in a cablegram that announced that he expected to return to duty almost at once. Such has not been the case.

Capt. McEvoy reached England on Wednesday on sick leave, and it will be some time before he returns to the trenches, it is expected. He was reported to have one ear drum shattered by shell shock, but whether his injuries are more than that is, as yet, unknown.

DONATIONS FOR SOLDIERS

Lady Superintendent of Belvidere Home Acknowledges Many Gifts.

Mrs. French, lady superintendent at military convalescent home, Belvidere, gratefully acknowledges the following donations to the home: Mrs. Bullen, 8 dozen bananas; Mrs. Yarker, vegetables; Mrs. Bishop, a game; Miss Ada Meredith, large basket of black currants; Mrs. Whetter and Miss Yarker, ice cream; books from Mrs. Bullen, Capt. T. Robson and Mrs. Marsh; magazines from Mr. Daly, Mrs. R. W. Puddicombe, Mrs. T. H. Smallman.

BECOMING PLENTIFUL

Green Corn In Larger Quantities on Market and "Roasts" Are In Order.

Green corn is becoming more plentiful on the local market these days, larger quantities being brought in on each successive market day. Despite the fears for a short corn crop and the general reports of poor quality and quantity, the prices being asked by the producers are not considered excessive.

With the quantity steadily increasing corn "roasts" will now be quite in order.

LITTLE STORIES OF CAMP BORDEN

SAY INVESTIGATION EEDED.

Members of the Toronto City Council are continuing in their denunciation of Camp Borden conditions. At the city council meeting there yesterday, Ald. Joseph Gibbons declared that he would not send a dog to Camp Borden.

"They are not properly fed. They are smothered with dust, and the conditions are such that the men, when they come back, tell others not to enlist," declared Ald. Gibbons.

Ald. Ryding said that this was a serious charge, but Ald. Gibbons said the conditions were well known and should be investigated. "Parliament will investigate them," said Mayor Church.

SOFT BEER PROHIBITED.

The ban on soft or non-intoxicating beer has been ordered by Brig.-Gen. Logie. The order has caused some dissatisfaction among the men, but according to the general camp staff it was taken as a precautionary measure to prevent hard stuff being smuggled into the regimental canteens with the under-per cent beers.

PHYSICAL TRAINING.

Elaborate arrangements have been made all over the camp for physical training. Among some of the stunts which the men have to perform is the task of scrambling over a wooden wall ten or twelve feet high, an accomplishment that requires strenuous effort. There are wide ditches and hurdles to jump, fences to vault over and zig-zag planks to run across. Besides the improvement in physique which the exercise entails, the work trains the men to overcome difficult barriers which have to be encountered in active warfare.

NOT THERE YET.

The detachment of the Canadian Permanent Army Pay Corps, which was supposed to have come into camp this week, has not yet arrived. In all 50 officers and men are coming and will be quartered in one of the permanent buildings erected at the camp.

CAPTAIN IN 161ST.

Lieut. Charles K. Macpherson of the 33rd (Huron) Regiment has been appointed a captain of the 161st (Huron County) Overseas Battalion.

ON INSPECTION TOUR.

Brig.-Gen. W. A. Logie, camp commandant, has been on a tour of inspection of No. 2 (Toronto) military district. The Mounted Rifles Depot at Hamilton and the camp at Niagara were visited by the G. O. C. of the district and camp.

PRAISE FOR WATERLOOS.

Following his inspection of the 118th (South Waterloo) Battalion, Maj.-Gen. Lessard declared that the Waterloos were among the best he had seen on his inspection tours. The unit won golden opinions of itself for the general conduct and discipline of the men on the rifle ranges.

IMITATION BATTLE FRONT.

The members of the school of bayonet fighting and physical training will give an assault at arms on their training area next Monday for the entertainment of the camp.

An extensive battle front, consisting of imitation shell holes, trenches, entanglements, pitfalls, six-foot walls, barricades and other obstacles has been literally thrown together at Camp Borden for practice in making bayonet attacks over rough ground. The work was carried out under the direction of Lieut.-Col. May, a returned officer. The actual work of building the sector was done by the soldiers under the guidance of Capt. Hugh Gall, former prominent Varsity athlete. Capt. Conover will look after the training of the soldiers on this roughened area.

198 IN HOSPITAL.

The parade state of the camp hospital was 198 on Thursday. In all 32 cases were admitted on Wednesday and 29 patients were discharged as cured.

1,000 ON LEAVE.

More than 1,000 members of the camp signalling school are now away on harvest furlough, leaving only 600 out of the total number of 1,700 in camp.

STRUCK OFF STRENGTH.

Yesterday 25 men carried on the strength of battalions now at the camp were officially "struck off" the camp strength as illegal absentees. Of the total more than half were from a Toronto battalion that will leave for overseas within a short time.

AT TRENCH SCHOOL.

Lieut. R. A. Paul of the 153rd Battalion has been detailed for duty at the school of trench warfare until further orders.

153RD TO TAKE 111TH PLACE AT COVE RANGES

Wellington Battalion Starts Musketry Monday.

The 111th Battalion has been ordered to return to camp at Carling Heights on Monday, the 14th instant. The unit has been at the Cove ranges completing its musketry course for the past two weeks.

As soon as the Cove camp is vacated by the 111th, the 153rd will be sent down to take its course.

MAKING OWN ARRANGEMENTS.

Commanding officers as usual are making their own arrangements for church services on Sunday.

SAYS ACID STOMACHS NEED MAGNESIA

Calls Bisurated Magnesia Safest, Quickest and Most Effective Food and Acid Stomach Corrective Yet Found.

The almost universal use of magnesia by physicians and specialists in the treatment of stomach troubles is due to the fact that it quickly neutralizes the excessive acid in the stomach and thus stops food fermentation—the direct cause of nearly all stomach troubles. Of the many forms of magnesia, such as liquids, oxides, citrates, carbonates, sulphates, etc., the most suitable and efficient for stomach purposes is bisurated magnesia, a teaspoonful of which taken in a little water after eating, or whenever indigestion is felt, will instantly neutralize or dissolve the excessive acid, stop fermentation, and make painless and normal digestion easy. Be sure to insist, therefore, that your druggist supply you with magnesia in the bisurated form—either powder or tablets. Stomach sufferers who follow this plan and avoid the use of pepsin, charcoal, soda mints, drugs and medicines, are astonished to find the stomach once relieved of the irritating acid and gas, soon regains its normal tone, and can do its work alone without the doubtful aid of artificial digestives.

BRUCE AND WELLINGTON UNITS MOVING CAMPS

Will Occupy Lines on Carling Heights From Now On.

Most of the men of the 153rd Battalion have returned from harvest furlough and the unit has received orders to move their camp to Carling Heights from Hillcrest. It will occupy the lines of the 118th Battalion.

The officers' mess house is being moved over today, and it is stated that the first of the next week will see the Wellington unit on the Heights.

The 160th Battalion is also to be moved to the Heights. The Bruce battalion will occupy the old lines of the 110th, nearest headquarters. The men of the 160th who are away on furlough, almost 1,000 of them, will be back by the 17th of the month.

The changes in location of the battalions are considered necessary to the expeditious administration of the camp.

FOUR KILLED, 17 HURT, WHEN SHELL EXPLODED

London Private of 1st Battalion Figured in "Bath House" Tragedy.

Two members of the 1st Battalion were killed; two were so badly injured that they died of their wounds, and 17 more of the same unit were wounded by one German shell that exploded in a bath-house, behind the lines, where the men were bathing, according to a letter received here from Pte. Robert McLeod, a member of the Scout section of that unit. Pte. McLeod, who went overseas with the first detached company of the 33rd Battalion, under Capt. Harry Nelles of this city, was in the bath-house at the time of the explosion, but escaped uninjured.

For more than a year Pte. McLeod has been in France, and has so far escaped injury or wounds. He is a brother of Corp. Roy McLeod, formerly of The Advertiser staff, who is now home on sick furlough from the front. Corp. McLeod went over with No. 4 Depot Unit of Supply, C. A. S. C., of the first contingent.

NEW REGULATIONS WILL RELEASE MANY GUARDSMEN

Expected to Enable Many Others to Join for Home Service, Too.

Modifications of regulations for the physical conditions of men signing on for home service, issued by the militia department on Tuesday, will make it possible for many more men to sign on with the home guard in London, and will enable a number of those already in the guard throughout Ontario to go overseas.

Because of the fact that regulations change from time to time few certificates stating that the bearer is unfit for military service are issued. Many people have complained of the fact that rejected men are not supplied with certificates, and authorities have come in for much adverse criticism. Once a certificate is issued it stands in the face of all new regulations, and no time limit may be set on it. It is for this reason that so few are given.

Recruiting at the armories for overseas units is continuing steadily. The latest recruit, Fred Price, Batchelor, went to the Engineers. He came from Detroit to enlist with the Canadian forces.

On behalf of the Woman's Auxiliary of the 142nd Battalion, Mrs. Alex. Calder acknowledges the following donations to the "sock fund":

EAGER STRATFORD MAN WOUNDED IN KNEE

[Special to The Advertiser.]

STRATFORD, Aug. 10.—Word was received in the city today by Mr. and Mrs. William Scott, to the effect that their son, Pte. James Henry Scott, had been wounded and is now in No. 50 Casualty Clearing Station suffering from a gunshot wound in the knee.

Pte. Scott enlisted here with the 34th Battalion, and was soon promoted to sergeant. However, so eager was he to get to the front, that he gave up his stripes to go with the first draft. He had been in France since May 25. He is 28 years of age, and before enlisting was employed with the Bell Telephone Company.

Two of his brothers are also in uniform. Wilfrid enlisted at Owen Sound with the 20th Battalion, while Francis is at Camp Hughes with the 108th Battalion.

Sure Son Is Killed.

In reply to a query made at Ottawa, Mrs. Fred Bryant today received a telegram from the militia department stating that the regimental number of her son, Pte. James Bryant, who was reported a few days ago as missing and believed killed, had been changed. This removes all doubt that it was her son to whom the original message referred.

SIMCOE HAS ANOTHER SOLDIER IN CASUALTIES

SIMCOE, Aug. 10. — Yet another of Simcoe's soldiers has been wounded, the reports today containing the name of Pte. Wesley Gurr. This young man left Simcoe with the third contingent a year ago last May, and when thirteen men were taken from the quota to go overseas as reinforcements, he made one of the number.

Leaving Niagara in June, 1915, he was in the trenches by the end of July, 1915, and has been actively engaged since then in fighting. He is about 19 or 20 years of age, and is one of a large family, coming out from England to Simcoe some years ago. The mother of the soldier died on New Year's Day. He was a member of the Methodist Sunday school while here.

In marked contrast with him, Pte. Tom Tickner, who went to France at the same time, was in the trenches only a few hours before being wounded. He went in at night, and the next afternoon a small piece of shrapnel entered his ankle and laid him up.

KILLED BY HORSE'S KICK.

GUELPH, Aug. 10.—While cutting a field of barley on his farm, on the 10th line, Erin, yesterday, Dawson Gibson, 55 years of age, was kicked by a restive horse and instantly killed.
