THE EXCHINATON DARRY

The excursion party, that left Esquimalt on Thursday morning, for a kep over the Islandvasiway returned yesterday afternoon at the clock, starting from Manaimo, at 13:30. The train consisted of the conches including the president a private car, containing Mr., Dunamuir, and travely and St., Edward Waftin, who leaves for San Francisco on the Queen to day. About twenty passengers were on the train and most tavorable comments were passed on the avoid the control were passed on the avoid to the control with the control points at abstract and a traje to Wallington. Only here hours were required for the run to Esquimalt yeater day and a speed of thirty five miles an hour was greatly admired, capacitally near the Sanuton aments running and stone of the control was greatly admired, capacitally hear the Sanuton and and along the theory and no doubt the travel, will be quite brisk until all have viewed the sights along the road and enjoyed the novety of a first rail way ridd on the island.
