

The Cream Of The Season

We have heard customers say, dozens of times, "one reason why I like Fit-Reform so much is because the styles are so different."

Do you know why?

Fit-Reform creates. The greatest designer of gentlemen's garments in Canada devotes all his time to originating new things for Fit-Reform patrons.

Fit-Reform styles illustrate not only what is absolutely correct now—but also what will be fashionable months hence.

\$1,000 for a Coat of Paint

It seems hard to believe, yet that is the sum of money that a coat of Martin-Senour Paint 100% Pure added to the selling price of a certain house.

For several seasons, a shabby weather-beaten house had been offered for sale. There were no buyers until a shrewd real estate broker purchased the property and, with a single coat of paint, magically changed it from a shabby house to that of a home of dignity—a home of comfort and elegance; furthermore, he sold it within a very short time clearing \$1,000.

Nothing so preserves and maintains the value of your property like

Martin-Senour Paint 100% Pure

whose mission is to paint your buildings uniformly, economically, safely and surely. The coat of Paint made the sale. Don't let your property depreciate in value for the need of paint.

If your dealer cannot supply you, notify us and we will gladly direct you to where our paints are to be had.

Had a Bad Cough FOR A NUMBER OF YEARS. WAS AFRAID IT WOULD TURN INTO Consumption.

Too much stress cannot be laid on the fact that when a person catches cold it must be attended to immediately or serious results may follow.

Thousands have filled a consumptive grave through neglect. Never Neglect a Cough or Cold, it can have but one result. It leaves the throat or lungs, or both, affected.
+ + + + +
Mrs. A. E. Brown, Ottawa, Ont., writes:—"I have had a very bad Cough every winter for a number of years which I was afraid would turn into consumption. I tried a great many remedies but only received temporary relief until I got a bottle of Dr. Wood's Norway Pine Syrup and after taking two bottles my cough was cured. I am never without a bottle of Norway Pine Syrup."
+ + + + +
Dr. Wood's Norway Pine Syrup is the medicine you need. It strikes at the foundation of all throat and lung complaints, relieving or curing all Coughs, Colds, Bronchitis, Asthma, Croup, Sore Throat, etc., and preventing Pneumonia and Consumption.

So great has been the success of this wonderful remedy, it is only natural that numerous persons have tried to imitate it. Don't be imposed upon by taking anything but "Dr. Wood's." Put up in a yellow wrapper; three pine trees the trade mark; price 25 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

The True Test

of value is not the price you pay but the style, comfort and fit you get. Don't imagine that all tailors work is alike. Nor the goods alike in garments sold at similar prices. Not at all. Good, bad and indifferent describes it. Some excel. We make it a point of honor to give value and perfect fit. Can we do more.
