## Is Your Blood Poor?

### If it is, You Need Vinol

Anæmic, run-down, nervous, devitalized conditions result from poor or thin blood. A glance at the formula of Vinol, printed on the label, will show that it contains the very ingredients necessary to make good blood. It soon creates a healthy appetite, improves digestion, and helps you to get full benefit from your daily food, and builds you up.

Drewville, N. H.

"My daughter was anæmic, had poor blood and suffered from indigestion and bilious attacks." As Vinol helped my son, I gave it to my daughter—she soon improved in health, and it has built her up and restored her health."—Mrs. N. Burnell.

Bradford, Pa.

"I have used Vinol for my anæmic blood. I was broken down with a rash and run down so it was hard for me to keep about my work. Other medicines had no effect, but Vinol effected my blood, and my condition very rapidly."—Rose Larky.

For all run-down, nervous, anæmic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.
