BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Coca, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

Values are Rising Rapidly,

But are Still Far Below the Price at Which Property at Corresponding Distances in Other Directions is Held.

An immense volume of traffic flows down Yonge-street. That thoroughfare is the main artery for all the business of the rich and populous town, village and farming districts north of the city. Yonge-street has an excellent roadway, the best in York Co., and within a few months it will be lighted by incan escent electric light and watered regularly all the way from the city limits to Eglinton.

The price of northern property has hitherto been low compared with western and northwestern lots, but a rapid rise has now set in, and northern property will soon reach its intrinsic value. For healthiness of situation it surpasses anything in the market. It has an excellent street car service and soon will have rapid transit by means of the Belt Line Railway, which under the Incorporation Act just passed has to be commenced within 2 years and completed in five. The following table giving a comparison of the pices at which land is held at North Toronto and in other places at corresponding distance from the business centre is a LESSON FOR INVESTORS.

Mysterious Healing Power By "Laying on of Hands." PROF. LEMON. Diffice over Imperial Bank Branch, corne Queen and Youge-streets.

Esoteric Physician and Magnetic Scientist. Formerly of the Medical Faculty of the University of Buffalo.

University of Buffalo.

Wonderful case of Capt. Nelson Smith of Hamilton, paralyzed and fell on the floor on getting out of bed last September. Since then had to be helped every way, "could get down stairs alone by sitting on each step and lifting the fielpless limb with the sound one. He was brought to Dr. Lemon at the lievere House, Toronto, Thursday, March 14, who treated him by the "Laying on of Hands" and fervent prayer for his restoration. The Captain on leaving desired to walk down stairs alone, joyfully exclaiming, "I can do it," but his devoted wife kept a firm hold of him. He returned on Saturday, 16th, for further treatment and left still more improved, saying, "Doctor, I will circulate you in the papers for this."

Dr. Lemon is the only regularly educated and legally qualified physician in the world who goes on the stage and in full view heals the

goes on the stage and in full view heals the sick.

A young lady's blood turning to water, she was chalky white to her lips, and dropsical looking, had seen nething and was 17 years old, catarrh and dyspepsia also. After six weeks she is a new girl, red as a rose is she.

This is to certify that I have been a great sufferer forgsome length of time from NEURALGIA OF THE NERVES, and am happy to state that I am feeling much better from the "magnetic treatment" of Prof. Lemon, M.D.

(Signed)

George Pringle, Esq., Oshawa, restored to his hearing two months ago, after many years' deafness; can hear sermous as well as ever, and thanks God daily for His infinite goodness to him.

Miss M. C. Haslett (by permission), 77 Huro

Miss M. C. Haslett (by permission), 77 Huron street, was a very great sufferer from dyspersia, could not bear anything on her stomach, and the pain was as bad when empty, inflamed with eatarrhal ulceration, liver inactive, stools white, urine red from kidneys trying to do the work of the liver. She writes: "Dr. Lemon saved my life. I was a perfect wreck, dying by inches. Could not sleep or eat."

Jno. B. Partridge of Massey, County Grey, stiff knees from rheumatism, very painful, could not work, crooked, contracted, went home rejoicing, walking freely without pain, limbs straight in a week.

On no account does Dr. Lemon ever put his patients to sleep in his office, neither does he ask embarrassing questions, or make delicate examinations. 35 years' experience render both unnecessary—requires bonnet or hat, overcout or closk to be removed, places his hands on the head, implores the blessing of God and then makes the Magnetic passes. This is done once or twice weekly to each until Curgd.
