"SPRAMOTOR IS FIRST" THE REST NOWHERE.

Send three-cent stamp for 76-page copy-righted edition of catalogue and treatise on the diseases affecting fruit trees, vegetables, etc., and their remedies.

At the test of Spraying Apparatus held at Grimsby on the 2nd and 4th April, under the judges appointed by the Fruit Growers of Canada, and with 24 competitors, nine from Canada and five from the United States, the "SPRAMOTOR" was awarded first place, and the nearest competitor to it was more than double the price. This result was a great surprise to the people and very gratifying to Canadian enterprise. Write to the Department of Agriculture of Ontario for a copy of the Judge's report.
