A Specialty.

A grand lot of exhibition fowls and chicks now ready for sale and delivery. A large number of birds mated for breeding will be disposed of.

Our birds are justly celebrated for their long, keen heads, bay eyes, short hackle, nicely arched necks, broad shoulders, flat backs, narrow sterns, low and close-carried tails, high station and fine legs. No other strain possesses these desirable points in such a marked degree.

Now is the time to purchase.

Fowls for sale at all times. Eggs for Hatching in season.
