

NOTICE TO SUBSCRIBERS.

It is proposed to continue the publication of the Ecclesiastical Gazette for another year, and to issue the first number of the second volume on the *third* Thursday in June. The terms of subscription will be the same as heretofore, 2s. 6d. per annum, payable *in advance*. The first number will be sent to all the subscribers to the present volume, and if any persons should wish to discontinue the paper they are requested to return it to the publisher. Their receiving it will be taken as an intimation of their intention to subscribe for the second year.—The Clergy and others interested are earnestly requested to use their endeavors to extend the circulation of the paper, which is designed simply to furnish information, at a very cheap rate, respecting the affairs and progress of the Church. This information is supplied by no other periodical in Lower Canada: and it is felt that it ought to be sufficiently interesting, from its character, to insure a cordial support for the paper. To combine secular intelligence with Ecclesiastical, as has been suggested, would necessarily increase the expence of the undertaking, and the Gazette, being issued only once a month, could hardly furnish much in this way that would not already have been before the subscribers in other publications. The price of the Gazette was originally fixed at a rate which it was supposed would not interfere, in any instance, with subscription to a secular paper for information of another kind. Before the establishment of the Gazette, expressions of regret were constantly heard that there were no means within the Diocese of conveying information respecting Ecclesiastical proceedings, and especially those of the Diocesan Church Society.—It was to supply this want, as stated in the original prospectus, that it was set on foot, and it is trusted that those who felt the want will support the attempt thus made to meet their wishes.

(The issue of the present number has been delayed in order to publish the proceedings of the Church Society.)

THE CANADA LIFE ASSURANCE COMPANY.

INCORPORATED BY ACT OF PARLIAMENT.

HEAD OFFICE NO. 32, KING STREET, HAMILTON, C. W

THIS COMPANY is prepared to grant ASSURANCES ON LIVES, whether single or joint, to sell Annuities, to purchase Reversions, and to transact all business in which the risk of Life is concerned.

Tables have been expressly calculated from the most accurate data: and the Company is enabled, from its small expenditure, and the high rate of interest which money commands in Canada, to offer terms of assurance much more favorable than the low rate of interest attainable on investments by British Companies and their generally large expenditure can with any regard to safety permit.

An exact statement of its receipts and expenditure is annually published by the Company and forwarded to all who may be interested.

Of no other Life Assurance Company can it be said that it invests all its Funds in Canada, and that it does not consequently contribute to the immense sum of money which is yearly sent out of the Province to pay British or Foreign Companies for that, in which [and this is nearly a solitary instance] neither Great Britain nor the neighbouring States can fairly offer competition.

To parties who may at any time feel disinclined, or unable to continue the payment of their premiums, this Company will grant Policies payable at death fairly representative of the value of such payments as they may have made, and it further engages to purchase policies for an equitable consideration after five or more full premiums have been paid thereon.

Three-fourths of the profits realised in the Mutual Branch are yearly divided amongst the policy holders assured.

A peculiar feature of the Company is that it is not desirous to make profits by lapsed Policies.
